Some things cannot just be “postponed” because of COVID-19...

We are **POSTPONING** 'CHAMA 2020' until the fall, but we **CANNOT** postpone our Mission — bringing clean water and innovative farming to those dying of hunger and thirst.

During this time of uncertainty and social distancing, join us as we continue to provide African villages with permanent, advanced water and agricultural solutions!

Our Huzi Village Donor Trip is scheduled for the Week of July 6, 2020!! Join us and experience Huzi villagers' joy as water taps are turned on and CLEAN WATER flows for the VERY FIRST TIME!
