

Mwinyi and Water4Mercy thank YOU!

Our Water4Mercy team recently traveled to Dodoma, Tanzania and celebrated the joy of clean water for the VERY FIRST time with Mwinyi village! It is YOUR generosity that made this possible, THANK YOU!

We are excited to share with you our 'every experience' - from the sounds of the splashing waters to the many heartfelt stories shared. Words cannot express the pure joy YOU brought to the Mwinyi Villagers.

So we thought we would show you some of our pictures from this truly extraordinary experience.

**Kind regards,
The Water4Mercy Team**

P.S. While in Tanzania we scouted prospective W4M villages that need OUR help!
