WATER 4 MERCY

Permanently ending the vicious cycle of poverty in Africa with life-giving water and drip irrigation farming.

Mwinyi Villagers - Transformed in 5 Months with Clean Water and Farming

Solar Technology Pumps 20,000 Gallons of Clean Water Daily for Mwinyi Village

Water taps were turned on for the **VERY FIRST TIME** October 2018 at Mwinyi Village, located in Dodoma region of Tanzania. Villagers now have clean, life-giving water being used for drinking, cooking, hygiene, brick making and farming. The harvested crops bring nourishment and pride as the Mwinyi villagers regain their sense of human dignity.

BEFORE: Villagers scooping up pooled water

AFTER: Children Washing Hands With Clean Water From Tap

BEFORE: Lining up 6-8 hours for a turn to fill 2 buckets

*AFTER: Huge Okra
HUMONGOUS Smile*

AFTER: Abundance of Crops

Providing African villages with permanent, sustainable advanced water and agricultural solutions

Farming in Mwinyi Village

AN AFRICAN DONOR TRIP COULD BE IN YOUR FUTURE- see your impact firsthand and experience the villagers' joy as the water taps are turned on for the VERY FIRST TIME in the village you helped fund

For details on how your group can participate in a future Donor Trip with Water4Mercy, or to schedule a Speaking Engagement for your organization, please email us at info@Water4Mercy.org or visit our website at www.Water4Mercy.org.
