

Without water, how can we tell them to wash??The COVID-19 crisis demonstrates the critical need for permanent clean water and sustainable food in remote Africa.

#GivingTuesdayNow - help our efforts to prevent mass COVID-19 infections with life-giving water!

Even COVID-19 won't stop our mission!! Huzi Village water taps will be turned on for the very first time July 2020 in Dodoma, Tanzania - **on schedule!**

Water 4 Mercy gives water to those dying of thirst and food to those dying of hunger.

Current global events highlight the importance of sustainable water and innovative agricultural technologies to further empower developing countries; this is long over due! Water 4 Mercy's local teams ensure that life-giving waters keep flowing and

healthy nutritious food continues to grow.

It is a matter of life or death - due to COVID-19, water is more critical than ever!!

COVID-19's Global crisis has demonstrated that Water 4 Mercy's PROVEN model of building local capacity with our 'boots on the ground' ensures water and food is secured in Africa - PERMANENTLY!
