Frank just told me he wants to stay with the 10/13 date for the Saturday Night Live so let's confirm everything for that date.

He will arrive in New York the evening of 10/11 so he will be available for the tour you mentioned.

Could you please give me a schedule of dates and times of what you have Frank set up for so I can work dinner reservations around that schedule?

If you need any further info from me, please let me know.

Thanks so much. Dana
