FRANK AMODEO
President and CEO
AQMI Strategy Corporation

Dear Mr. Amodeo,

I would like to extend a heart-felt thank you for your commitment to making the Riga NATO summit so successful.

AQMI Strategy Corporation's involvement in the Summit demonstrated to the public and the world leaders your company's support, as well as overall business community's support to the preservation of security, stability and democracy as provided by Western nations.

It was one of the goals of the government of Latvia to ensure a flawless organization of the NATO Riga Summit and to promote the understanding of the Latvian and International society about NATO. Your generous contribution helped make our vision of a successful NATO Summit a reality by helping to offset the cost of holding a high level International Conference. More than 200 globally renowned academics, the key opinion leaders, experts in security policy and journalists from NATO member states and partner states discussed topical issues in international security policy at the conference.

Again, I thank you for the generous contribution of AQMI Strategy Corporation. I would also like to extend a special thanks to your team who visited Riga during the Summit.

We look forward to continuing our productive cooperation in the future.

Best regards,
