President's Message

Hello all you happy (ready for summer) campers...

Winter has come and gone, wasn't too bad. Had a few camp-outs. All went great for what we've been through in 3 years. The potlucks are starting back to a normal function with great entertainment, a big thanks to Lani. Leslie still keeps things going (reminds myself and Nick on what's going). A big shoutout to Leslie for all she has done.

The club has moved ahead again for the summer, with new board members and last year's members stepping up again for next year. Summer will go by quick and fall will be back again with a new and normal winter...better than ever. We are still getting new members and old members are getting out

Vice President's Message

As the RV Club season comes to a close, I want to thank everyone who made our restart so successful. We had 3 great Rallies with good attendance. Our Caravan Meetings with great coffee and donuts brought out members who essentially maxed out our trip openings.

With that said, there is still one opening for Dead Horse Ranch so give Mark or Lanie Miller a call if you can attend. It's a great venue and will be a lot of fun. As of the last Caravan Meeting, the Patagonia trip in October/November is full. It's a long way off, though, and there could be cancellations, so get yourself on the waiting list by calling Bob or Gale Hale.

Vice President's Message continued from Page 1.....

As of the last Caravan Meeting, the Patagonia trip in October/November is full. It's a long way off, though, and there could be cancellations, so get yourself on the waiting list by calling Bob or Gale Hale.

As a serious reminder, I am moving up to club president in January and there is, as of now, no one to do the 1st VP role. This is a key role because it involves overseeing all the Caravan trips. It's important someone step forward soon to take on this job so the transition can be smooth. Please volunteer for the club governance in any way you can so that we can keep letting the good times roll.

As a reminder, Policy states that Caravan meetings are supposed to start at 9:00 with the business meeting starting at 10:00. However, if I perceive that the signup tables are clear, I will start meetings earlier for efficiency's sake. Signups can continue during or after the business meeting.

Nick Cooper, V. P.
