

Caravan Info for posting in Newsletter/Caravan Schedule

As soon as a trip is scheduled I need the following:

1. Trip Number #_____
2. Location _____ (City, State)
3. Wagonmaster Names _____ & Phone Number
4. Co-Wagonmaster Names _____ & Phone Number
5. Dates _____ Number of Nights to Be clear _____

A Description of trip

- Where you're staying
- Possible activities
- Cost per rig
- (Eventually) when you are having the pre-trip

I like to get as much info in the Caravan Schedule as early as possible. So once you get a Trip number at least give me the basics! **The first 5 items listed above**

As time goes on we can add the description

Thank you for your help – I view this as a sales pitch for the RV Club! The sooner info gets into the schedule the more fun our club looks!!!!
