

## President – Clint Gienger

HI, SUN CITY RVers

It was great to see all of you at the recent membership and caravan meetings. As always the food was great at the potluck and the doughnuts were wonderful at the caravan meeting. Entertainment director, Lanie Miller, tried something different at the January meeting with bingo games for the group. She and all her helpers did a great job and are congratulated for a job well done. Please let Lanie know whether or not bingo is something she should think about doing again in the future.

During the membership/potluck meeting we had several announcements that I would like to share in the newsletter for those of you that were not able to attend the meeting. Both Lanie and Mark Miller announced that they plan to step down from their positions at the end of this year. Lanie is the entertainment coordinator and Mark is our caravan director. Both have agreed to work with and mentor whoever steps forward to take these important positions for the club. First off, let me say thank you to both Lanie and Mark for their dedicated service to the club for a number of years. You will both be greatly missed from your leadership positions.

With that said, your club officers are actively searching for some individuals to fill these two club positions. If you are interested in either position or just want more information, please get in touch with either me or another of the club officers. Also, if you would like to recommend one of our club members that you think would be a great fit for one of these jobs, please let me know. I would be happy to talk to them. We are hoping to find someone as soon as possible, so Mark and Lanie can work with them for the remainder of this year.

One final announcement is that the February 20<sup>th</sup> club game night has been canceled since the room is not available to us for that evening.

Congratulations to wagon masters Jim and Sally McCabe for a great trip to Tucson in January.

BYE, SUN CITY RVers

## Caravan – Mark Miller

Hello Fellow Cub Members

I wanted to take this opportunity to thank Jim & Sally McCabe for being our wagon masters for the recent Tucson trip. It was a great success. Of course, we need to thank all of our wagon masters for all the work that they have done in the past as well as what will be done in the future. You all are the backbone of this club, if it weren't for you, it would be a mighty bleak camping season. We still have room on our San Diego trip on March 13-17. I realize that is a bit of lengthy drive but there are many nice RV parks on the way which would break up the drive. You might also consider adding additional days to the trip and make it a vacation! I just logged on to the Sweetwater Summit RV Park website and there are many spaces available both at the beginning and at the end of our trip. We would really like you to join us. There is so much to do in the San Diego area!! I am sure that you would have a great time. We will see you all at our next Caravan meeting on Feb. 23. You will have another opportunity to sign up for the San Diego trip. We will also have signups for the, April 13-17, trip to DeadHorse Ranch State Park. Don't miss out! For all of you new members remember that the caravan meeting is when you can sign up for our trips.

Thank You

Mark Miller

Caravan Director
