

President – Clint Gienger

HI, SUN CITY RVers

What a nice turnout for the February membership/potluck meeting. It has been awhile since I have seen the tables full enough that I was concerned that we may run out of room for members at the tables we had set up for the meal. For me, that is a nice problem to have for the club. There are always more tables if we need them. The meal as usual was great and I hope everyone enjoyed the fantastic entertainment by one of our own members, Mike Fedorchuk.

In last month's newsletter, I mentioned that both, Mark, Caravan Director, and Lanie Miller, Entertainment Coordinator, will be stepping away from those positions at the end of this year. I'm happy to announce that we have had a couple of individuals that will be sharing the Caravan Director responsibilities beginning in 2025. Jim Brown and Nick Cooper have agreed to take over these responsibilities jointly for the club. I can't imagine that Jim's wife, Brandee and Nick's wife Chris are not going to be helping with this endeavor. Thanks to all of you for helping the club with this important position. Your board of directors is still actively searching for an individual to take over the entertainment coordinator position. If you would like to volunteer or maybe have a suggestion for someone you think might be good at this job, please talk to me or another board member. We have approved a yearly budget to secure entertainment for the year and given the show of hands at the February potluck it looks like Bingo was popular and will take up at least two or three of the seven meetings we have per year. In other words, the entertainment coordinator would need to secure entertainment for only four or five nights each year. Easy peasy. I'm expecting a stampede of volunteers!!!!

Next topic. I would like to volunteer space in this monthly newsletter to the members of the RV Club. If you have been on a club trip or had another experience in the club and would like to share, please feel free to submit an article to be published. Send any articles for the newsletter to suncityrvclub2023@gmail.com by the first of any month. It would be great to hear of your experiences as a member of the club. Besides, it would be nice to hear from someone else beside us on the leadership team. Hoping some of you step forward. Be sure to check out Mark Miller's article this month and plan to attend the caravan meeting either in March or April or you might miss out on some great trips next fall or early winter.

The March schedule is: game night-March 6, Club Picnic-March 8(must have pre-registered), game night-March 19, caravan meeting-March 22 and membership/potluck meeting-March 26.

Hoping all of you have a great month. BYE, SUN CITY RVers

The Pancake breakfast will be on April 29th from 8am to 10am. We still need help setting up from 7am to 8am and help from 10am until we are done cleaning up. We will have scrambled

eggs, pancakes, sausage, and blueberries. We will supply water, coffee, and orange juice. We will have a signup sheet at the March potluck.

Hello Fellow RVers

I would like to start out by thanking the Pearl's and the Scott's for being the wagon masters of our trip to Wickenburg for the Gold Rush Day's celebration. The weather was a little brisk but we did manage to miss most of the rain and the rodeo was very entertaining. Also had a delicious potluck, thanks to all, who that made that possible.

We do still have some spaces available for the San Diego trip this month. Time, is short so if you are interested in the trip contact the wagon master. Jim & Brandee Brown @ 360-299-1928

Be sure to attend the March 22 caravan meeting. At this meeting we will begin our sign ups for the fall trips that we have planned. We will have information tables for the Verde Valley trip in November as well as the Las Vegas RV Resort trip in December. These trips are going to require each member to make their own reservation for their RV site. The RV parks have each given us deadlines for making these reservations. When you visit the tables at the caravan meeting you will be given all the information about the trip as well as the contact information for the RV parks.

Our last caravan meeting before the summer break is April 26. At this meeting you will be able to sign up for the River Island State Park trip in early October. You will also have the opportunity again to gather the needed information for the November and December trips.

All of these trips should be very enjoyable trips so don't miss your opportunity to attend these last 2 caravan meetings! See you there!

Communications Director – Ron Porter

Due to circumstances beyond my control, I have informed the Club President that I need to step down as Sun City RV club communications Director. This will be my last Sun City RV Club Tire Tracks newsletter.

It has been my pleasure to work with you folks and look forward to sharing a tasty beverage around the campfire.

Thanks again,
