

2020 Caravans, Rallies, Day Trips

Turf Paradise – March 11, 2020 – Paul has put on this event at Turf Paradise for several years. The event includes an excellent buffet lunch in the Turf Club Facility located at the finish line, an open bar, a race named after our club which will lead to some of our party being invited to the winner's circle for a photo op with the winning horse and jockey. A very fun afternoon even if you are not a bettor.
