

# Welcome to the Sun City RV Club

If you enjoy travel and sharing fun with others, this might be your home away from home.

The Sun City RV Club travels in groups called caravans. We train club members to be caravan leaders (known as Wagon Masters) in planning, organizing and leading our outings.

We travel to fun, interesting places and sometimes plan day trips to entertaining events.

But that's not all! We also have Monthly Potlucks with Entertainment and Monthly Caravan Meetings where you'll learn insights into rv'ing and can sign up for future outings.

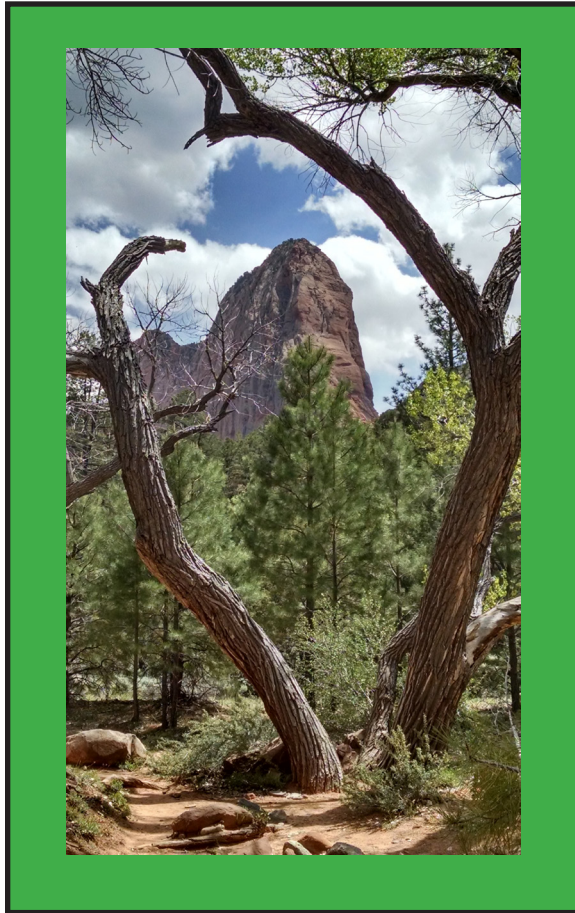

And you don't even have to own an RV to join (but you must be an RCSC Cardholder to be a club member)!

Sun City RV Club meetings (October through April) are held at the Sundial Recreation Center. We also gather for games nights twice each month from 5-9pm in the Bell Center Multi-purpose Room (by Lawn Bowling).

Visit [www.scazrvclub.com](http://www.scazrvclub.com) for more information and list of current events. Club members also receive our monthly newsletter - Tire Tracks - that has lots of great club news and more!

Please call 623-444-4224 if you have any questions.
