

Wish List

There are several things we need to fulfill our mission, so we have attached a wish list. Anyone that is interested in helping can get an idea on how they can support us.

1. Money – we will always need that. It provides us with the ability to grant scholarships, hold fundraising events, promote the organization, and at some point, pay people for their time and work. You could also designate a monetary donation to something specific. Like advertising and promotions for example. Help us put on events by being a private or corporate sponsor.
2. Items – this could be anything that we could use, donate, raffle, or sell. For example, if you have things like an instrument in good shape, new art supply, or camera equipment, I can assure you that we will find a match for it, or put it to good use ourselves.
3. Office Space – if you have office space that is just sitting there, please consider donating it and taking the tax write-off.
4. Office Supplies – desks, chairs, tables, cabinets, computer equipment would all be helpful.
5. Time – we need volunteers. Are you good with social media? Great, you can help us promote our events. Good with people? Help us run our events. Are you good at fundraising? We can use you.
6. Talent – are you a vocal coach? Choreographer? Acting coach or an art teacher? You can work with us as we try to get training for talented kids.
7. Other – if you have something to offer, we probably have someone that needs it. Please don't hesitate to contact us. Go to <https://floridaartsnetwork.org/contact> and reach out and we will get back to you as soon as possible.

Thanks for your generous support
