Then Moses said, "What if they will not believe me or listen to what I say?" v1
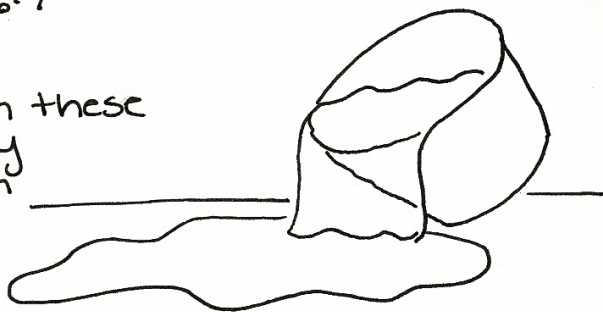

The Lord said to him, "What is that in your hand?" And he said, "A staff."

The Lord furthermore said to him, "Now put your hand into your bosom"... when he took it out, behold, his hand was leprous like snow... he put his hand into his bosom again and... it was restored v6-7

"If they will not believe even these two signs or heed what you say then you shall take some water from the Nile and pour it on the... ground... the water... will become blood" v9
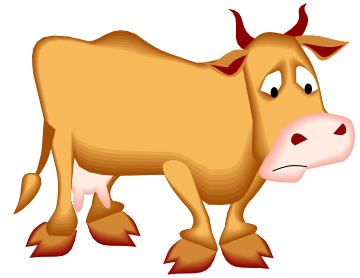

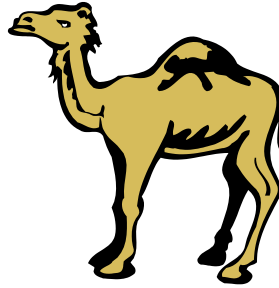

Moses said "I have never been eloquent"... "Is there not your brother Aaron the Levite?" "I will be your mouth and his mouth and I will teach you what you are to do." v 10, 14-15

"What is that in Your Hand?" Exodus 4:2

Moses had a staff he held in his hands. God showed him how he could use his staff to help people believe how powerful God is.

Trace your hand in the space next to this box, or use the hand outline below. Write or draw things that you can use to help people know about God. Think about things you might have in your room or in your home or yard.

Examples: A picture of your family can show how faithful God is to all generations of people, or a piece of fruit can show that God takes care of us and provides what we need.

The Lord is a great and powerful God.
