Subject: Notification of Withdrawal from South Africa Refugee-Led Network (SARLN)

Dear SARLN Chairperson,

I am writing to inform you of African Refugee and Migrants Aid (ARMA)'s decision to withdraw from the South Africa Refugee-Led Network (SARLN), effective as from **11th July 2024**.

We appreciate the opportunities and experiences shared within the network. However, we have decided to focus on our organizational objectives and priorities, which no longer align with SARLN's goals.

We appreciate the support and collaboration during our tenure and wish the network continued success in its endeavors.

Please update your records and notify relevant stakeholders of our withdrawal from the Network and the removal of ARMA from all membership data.

Thank you for your understanding.

Best regards,

Malipo Lukandamiza Mbalanga
