Memories that last forever

## PERSONALISED FOR *you*

---

Providing a home to a new pet is such an exciting time!

As a nation of animal lovers, we want to celebrate the relationship between you and your pet. We capture what it's really like to share your life with your pet and are here to help you cherish those moments forever.

Take all the time you need to view the following pages and decide on the perfect item to capture your pet's favourite first memories.

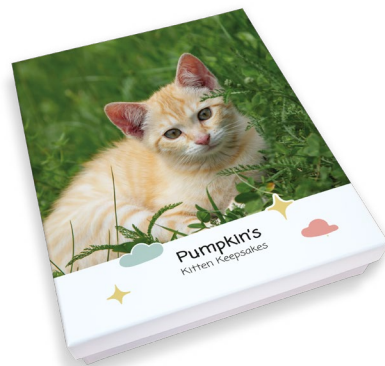

If you have any questions,  
please speak with one of our friendly team.

Available in black, mid grey, light grey or oak frame. Bespoke options available.

## MY FIRST COLLAR FRAME

This deep memory frame is the perfect way to treasure your puppy's or kitten's first collar, favourite photo, paw print and date of birth.

## PET'S FIRST KEEPSAKE BOX

Completely personalised with your pet's name and photo, our First Keepsake Box is the ideal place to treasure their first items such as collars, toys and photos.

Available in small or premium magnetic boxes, in a range of designs.

## PET'S FIRST YEAR PHOTOBOOK

Perfect for all pets. Capture all your pet's first moments in a lovely bespoke photobook.

Available in large (A4) or small (A5), in a range of designs.

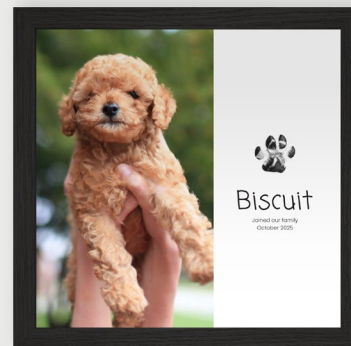

## MY FIRST PET PORTRAIT

---

Turn your favourite photo  
into a unique work of art  
to treasure forever.  
12x12" in size with a  
black frame.

Choose from  
line illustration,  
digital illustration  
or first paw print  
with photo.

## DELIVERED WITH *care*

---

After choosing your treasured  
keepsake, your design will be  
created and a proof sent to you  
before proceeding. Once you are  
happy with your proof, our team will  
carefully create your keepsake.

We will get in touch to let  
you know when your  
keepsake is ready  
to collect.

## BESPOKE REQUEST?

---

We want to ensure that your keepsake is as  
unique as your pet. Please get in touch if  
you have a bespoke request.
