Newsletter of the Arroyo del Oso Golf Association

Message from the ADOGA Board

Happy May! Thank you to all of the ADOGA members who played in the April Six Shooter tournament and congratulations to the winners! We hope you enjoyed your experience.

The ADOGA Board would like feedback from our members regarding the idea of an Albuquerque Club Challenge Cup. This would be a one day tournament in which all four of the Albuquerque City Golf Associations can compete against each other. Each association will elect a captain to represent their association for the tournament and select 20 members from their association to play in the challenge. Captains can be included as a player if desired and would be encouraged to pick the best active members to represent their club. The tournament will rotate each year between the four City courses and a trophy will be kept at the winning club for the year. More details to come on this, but we would like your feedback to determine if there is a sufficient level of interest in this.

The ADOGA website lists the contact information for the Board members for you to contact us to provide feedback or suggestions that would help us improve.
