Case No.: 2025LA27

Hon.: Eric J. Dirnbeck

**ORDER**

This matter coming before the Court for hearing on Plaintiff's Preliminary Injunction Motion ("Motion"), the Court being fully advised in the premises, IT IS HEREBY ORDERED that Plaintiff's Motion is **GRANTED** for the reasons stated on the record and set forth more fully herein.

The Court finds that Plaintiff has carried his burden to demonstrate all necessary elements to obtain the preliminary injunctive relief, including a clearly ascertainable right, irreparable harm, inadequacy of legal remedies, and substantial likelihood of success on the merits. Plaintiff has suffered an injury in being dispossessed of his assets and Plaintiff has demonstrated that there is likelihood of dissipation of those misappropriated assets rendering such injury irreparable.
