Verse

Grandma's hands, clapped in church on Sunday morning, Grandma's hands, played a tambourine so well

Grandma's hands, used to issue out a warning

She'd say, "Billy don't you run so fast, might fall on a piece of glass, "might be snakes there in that grass" -

Grandma's hands

Grandma's hands, soothed a local unwed mother, Grandma's hands, used to ache sometimes and swell

Grandma's hands, used to lift her face and tell her,

She'd say "Baby, Grandma understands, that you really love that man, put yourself in Jesus hands"

Lyrics

Amazing grace, How sweet the sound, That saved a wretch like me., I once was lost, but now I am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear, And grace my fears relieved, How precious did that grace appear
The hour I first believed.

Through many dangers, toils and snares, I have already come, 'Tis grace has brought me safe thus far
And grace will lead me home.

The Lord has promised good to me, His word my hope secures; He will my shield and portion be,
As long as life endures.

My friends feel it's my appointed duty, They keep trying to tell me,
 That the Lord is trying to talk to me, But my answer, is Lord I'll open my heart to you
 I want to spread the news, That if it feels this good getting used
 Lord, just keep on using me
 Until I come home
 Until I come home

My brother sit me right down and he talked to me,
 He told me that I ought to let the Lord walk with me,
 And I'm sure, he meant well, Yeah, but when our talk was through
 I said, brother, if you only knew
 You'd wish that you were in my shoes
 Lord, just keep on using me
 Until I come home
 Until I come home

Poison is the wind that blows from the north and south and east

Oil wasted on the oceans and upon our seas, fish full of mercury

Ah, oh mercy, mercy me
Ah things ain't what they used to be, no no

Animals and birds who live nearby are dying

Oh mercy, mercy me

What about this overcrowded land
How much more abuse from man can she stand?

There's a sweet, sweet Spirit in this place,
And I know that it's the Spirit of the Lord;
There are sweet expressions on each face,
And I know they feel the presence of the Lord.

Refrain:

Sweet Holy Spirit, Sweet heavenly Dove,
Stay right here with us, filling us with Your love.
And for these blessings we lift our hearts in praise;
Without a doubt we'll know that we have been revived,
When we shall leave this place.

There are blessings you cannot receive
Till you know Him in His fullness and believe;
You're the one to profit when you say,
"I am going to walk with Jesus all the way."

If you say He saved you from your sin,
Now you're weak, you're bound and cannot enter in,
You can make it right if you will yield,
You'll enjoy the Holy Spirit that we feel.

And it will change things forever
To the way things are supposed to be
Give me your time

Time just to make things better
To the way things are supposed to be
Oh Love is the motive behind all I do
And love is the cause I gave my
All for you ooh
So give me your hand
And I will lead the way
And we will pull through no matter
That's the way love is supposed
To be
That's the way it's supposed to be

I know all the words He said are
Oh so true
And His love stepped in one day and
Found me too
I gave Him my heart
And in return I live
And one day we'll live together
It's the way it was supposed to be

 And the sunlight hurts my eyes
 And something without warning, love
 Bears heavy on my mind
 Then I look at you
 And the world's alright with me
 Just one look at you
 And I know it's gonna be
 A lovely day
 A lovely day
