How Great Thou Art

O Lord, my God, when I in awesome wonder, Consider all the worlds Thy Hands have made;
I see the stars, I hear the rolling thunder, Thy power throughout the universe displayed
Then sings my soul, My Saviour God, to Thee, How great Thou art, how great Thou art.
Then sings my soul, My Saviour God, to Thee, How great Thou art, how great Thou art!

Lovely Day

When I wake up in the morning, love, And the sunlight hurts my eyes
And something without warning, love, Bears heavy on my mind
Then I look at you, And the world's alright with me,
Just one look at you, And I know it's gonna be
A lovely day ... lovely day, lovely day, lovely day ...
When the day that lies ahead of me, Seems impossible to face
When someone else instead of me, Always seems to know the way
Then I look at you, And the world's alright with me,
Just one look at you, And I know it's gonna be
A lovely day ... lovely day, lovely day, lovely day ...

Whats Going On Marvin Gaye

Mother, mother, mother There's too many of you crying
Brother, brother, brother There's far too many of you dying
You know we've got to find a way To bring some lovin' here today,
Father, father, father We don't need to escalate You see,
war is not the answer for only love can conquer hate
You know we've got to find a way
To bring some lovin' here today, oh oh oh
Picket lines and picket signs
Don't punish me with brutality Talk to me, so you can see
Oh, what's going on What's going on Yeah, what's going on, What's going on

Turn **Music** -> Mercy, Mercy Me

Whoa, ah, mercy mercy me,
Oh things ain't what they used to be, no no
Where did all the blue skies go'
Poison is the wind that blows from the north and south and east
Whoa mercy, mercy me, Oh things ain't what they used to be, no no
Oil wasted on the oceans and upon our seas, fish full of mercury
Ah, oh mercy, mercy me, Ah things ain't what they used to be, no no
Radiation under ground and in the sky,
Animals and birds who live nearby are dying
Oh mercy, mercy me, Oh things ain't what they used to be
What about this overcrowded land,
How much more abuse from man can she stand'

Just a Closer Walk with Thee

Chorus

Just a closer walk with Thee, Grant it, Jesus, is my plea,
Daily walking close to Thee, Let it be, dear Lord, let it be.

Verse II

I am weak, but Thou art strong; Jesus, keep me from all wrong;
I'll be satisfied as long, As I walk, let me walk close to Thee.

Chorus

Just a closer walk with Thee, Grant it, Jesus, is my plea,
Daily walking close to Thee, Let it be, dear Lord, let it be.

Verse III

Through this world of toil and snares,
If I falter, Lord, who cares' Who with me my burden shares'
None but Thee, dear Lord, none but Thee.

Chorus

Just a closer walk with Thee, Grant it, Jesus, is my plea,
Daily walking close to Thee, Let it be, dear Lord, let it be.

Grandma's Hands – Lyrics, Arrangement & Tabs - Bb

Intro

Ain't nothing like Grandma's hands - or - Grandma's hands— repeat

Verse

Grandma's hands, clapped in church on Sunday morning,
Grandma's hands, played a tambourine so well
Grandma's hands, used to issue out a warning
She'd say, "Billy don't you run so fast, might fall on a piece of glass,
"might be snakes there in that grass" - Grandma's hands

Grandma's hands, soothed a local unwed mother, Grandma's hands,
used to ache sometimes and swell
Grandma's hands, used to lift her face and tell her,
She'd say "Baby, Grandma understands, that you really love that man,
put yourself in Jesus hands"...Grandma's hands

Somewhere Over the Rainbow

Verse

Somewhere over the rainbow, way up high, there is a land that I head of, once in a lullaby
Somewhere over the rainbow, skyies are blue, and the dreams that you dream of, dreams
really do come true

Chorus

Someday, I wish upon a star, wake up where the clouds are far behind me
Where trouble melts like lemon drops, high above the chimney top
That's where you'll find me, - **Break** -

Somewhere over the rainbow, bluebirds fly,

Birds fly over the rainbow, Oh why, oh why can't I?

Vamp

End

Birds fly over the rainbow, why, oh why can't I?

Birds fly over the rainbow, why, oh why can't I?

Birds fly over the rainbow, why, oh why can't I?

Use Me

My friends feel it's my appointed duty, They keep trying to tell me, That the Lord is trying to talk to me, But my answer, is Lord I'll open my heart to you

I want to spread the news, That if it feels this good getting used Lord, just keep on using me
Until I come home Until I come home

My brother sit me right down and he talked to me,

He told me that I ought to let the Lord walk with me, And I'm sure, he meant well, Yeah, but when our talk was through

I said, brother, if you only knew You'd wish that you were in my shoes Lord, just keep on using me
Until I come home Until I come home

Music –

But, oh Jesus, Jesus, Jesus, Jesus, When you bless me, My cup overfloweth I want to spread the news That if it feels this good getting used Lord, you just keep on using me

Until I come home Until I come home

By and By Lyrics

We are tossed and driven, on the restless sea of time;
somber skies and howling tempests, oft succeed a bright sunshine;
in that land of perfect day, when the mists are rolled away,
we will understand it better by and by.

~ Music ~

We are often destitute, of the things that life demands,
want of food and want of shelter, thirsty hills and barren lands;
we are trusting in the Lord, and according to God's word,
we will understand it better by and by.

Refrain:

By and by, when the morning comes,
when the saints of God are gathered home,
we'll tell the story how we've overcome,
for we'll understand it better by and by.

~ Music ~

His Eye is on the Sparrow

Why should I feel discouraged, why should the shadows come,
Why should my heart be lonely, and long for heav'n and home,
When Jesus is my portion? My constant Friend is He:
His eye is on the sparrow, and I know He watches me.

Refrain:

I sing because I'm happy, I sing because I'm free,
For His eye is on the sparrow, and I know He watches me.

Simply Because

In the morning, I desire you like a sunrise, I'm so happy, you're the only reason that I smile,
You're with me, you got me, I don't worry, You're with me, You got me, I'm alright.

Already got joy, already got peace, simply because you're in my life,

Already got joy, already got peace, simply because.

I have been wondering, how I was going to make it another day,

But I fast and joy I knew would come to me on the days away,

You're with me, You got me, I don't worry, You're with me, you got me, I'm alright.

Already got joy, already got peace, simply because you're in my life,

Already got joy, already got peace, simply because.

You're with me, (I know you're with me)

You got me, (I know you got me)

I don't worry, (don't have to worry)

You're with me, (I know you're with me)

You got me, (I know you got me)

I'm alright, (I'm alright).

Vamp

END

You're with me, (I know you're with me)

You got me, (I know you got me)

I don't worry, (don't have to worry)

You're with me, You got me, I'm alright.
