DETAILED SAFARI ITINERAY

Day 1

Drive to Ndotu (Ngorongoro Conservation Area)

Upon arrival at the airport, you will be met by your driver-guide and begin your journey toward the breathtaking southern plains of the Serengeti ecosystem. The drive takes you through the Ngorongoro highlands, offering sweeping views, lush forests, and Maasai villages scattered along the route.

Upon reaching **Ndotu**, located within the Ngorongoro Conservation Area, you enter one of the most wildlife-rich regions during this season. January marks the beginning of the **Great Migration calving period**, and the plains come alive with thousands of wildebeest, zebras, and predators following closely.

Midday Lunch

You will stop at a scenic spot in Ndotu to enjoy a freshly prepared picnic lunch served with soft drinks. Relax under the shade of an acacia tree while watching herds spread across the open plains and listening to the natural sounds of the bush.

After lunch, continue with an afternoon game drive, exploring Ndotu's marshlands, woodlands, and wide-open plains, one of the few areas where off-road driving is allowed, allowing closer wildlife encounters.

Arrive at **Lake Masek Tented Lodge** in the late afternoon. Check in and enjoy a peaceful evening with views over the lake. Dinner will be served at the lodge's dining area.

Along the way, experience the gradual change in landscape—from the flat calving plains of Ndotu to the rocky kopjes and savannah woodlands of Seronera.

Game viewing continues as you journey through the park, with opportunities to spot lions lounging on rocks, cheetahs scanning the plains, giraffes browsing acacia trees, and elephants moving gracefully through the grasslands.

Midday Lunch

Around midday, you will enjoy a picnic lunch served with chilled soft drinks at a designated picnic site in the Serengeti. This restful break gives you time to enjoy the vastness of the plains and the wildlife that often roams nearby.

Continue with a game drive en route to **Lemala Nanyukie Camp**, an elegant and luxurious camp set in a prime wildlife area. Check in and unwind, followed by a delightful dinner surrounded by the sounds of the Serengeti.
