

AMAZING GRACE

I I7 IV I
Amazing Grace! How sweet the sound

I I V V7
That saved a wretch like me!

I I7 IV I
I once was lost, but now I'm found,

I V IV I
Was blind, but now I see.

I I7 IV I
'Twas grace that taught my heart to fear,

I I V V7
And grace my fears relieved;

I I7 IV I
How precious did that grace appear

I V IV I
The hour I first believed.

I I7 IV I
Thro' many dangers, toils and snares

I I V V7
I have already come;

I I7 IV I
'Tis grace has brought me safe thus far,

I V IV I
And grace will lead me home.
