

**CarePlus
Pharmacy**

CarePlus Pharmacy,
1936 William Street,
Fredericksburg VA 22401,

Dear Sir/Madam,

Subject: Partnership Opportunity for Onsite Flu Vaccination & Pharmacy Services

At CarePlus Pharmacy, we specialize in providing essential vaccines including Flu shots along with Medication Therapy Management (MTM), Diabetes Management (DM), and Anticoagulation Management (AM). As flu season approaches, we are excited to offer onsite vaccination clinics and pharmacy services tailored to the needs of your staff and residents, ensuring seamless access to critical healthcare solutions.

Other immunizations we offer:

- Covid
- Hepatitis
- HPV
- Mpox
- RSV
- Shingles
- Pneumonia amongst others.

Our goal is to partner with your facility to provide convenient, efficient, and high-quality immunization services while also offering expertise in medication management to improve patient outcomes. With our streamlined process, we handle all aspects of onsite vaccination, from scheduling and administration to reporting and compliance. All our services are no cost to patients with eligible insurance.

We are open to discuss how CarePlus Pharmacy can support your facility's healthcare needs. Do not hesitate to reach out to us, and our lead pharmacist would gladly walk you through the process.

Looking forward to working together to enhance the well-being of your community.

Best regards,
CarePlus Pharmacy LLC
