School Fees and Payments 2027

Dear Parent/s

This letter is to notify you of the fee structure for 2027. Please note that all parents must complete the attached fee form indicating which method of payment you would prefer in 2027.

Parents are billed monthly over 12 months via our electronic accounting system and invoices will be e-mailed to relevant e-mail addresses provided by parents.

Monthly fees are payable in advance at the beginning of each month no later than the 1st day of each month.

Registration Fee:

There is a once-off non-refundable registration fee for all students. As from the 1st June 2026 Namibian taxpayers will pay **N\$5,000.00**.

Non-Namibian taxpayers will pay **N\$ 10,000.00**.

The payment of this fee secures a place for your child upon payment and is not refundable.

Fees Tables:

As of January 2027, we will have two fee tables.

Table 1: Namibian taxpayers. (Any parent who provides a NAMRA tax certificate will pay fees from this table). Fees include centre facilitation, academic support and in-person guidance, but exclude any additional fees i.e. textbooks, stationery and examination fees.

Fees are based on a standard subject package and are subject to international provider fee adjustments and exchange rate fluctuations. Additional subjects, language subjects and optional support services may incur additional costs.
