Please find our 2027 fee schedule and payment arrangements below. Clear payment arrangements help us plan staffing, resources and the care we provide to learners. Please complete the payment-choice form on the final page and return it to the school office.

Payment Arrangements 2027

Monthly payments

- Monthly school fees are payable by the 7th of the month for which they are due. Fees remaining unpaid after the 7th attract a 5% late-payment fee, unless a payment arrangement has been agreed with the school office before the deadline.
- School fees remain payable during ordinary school holidays and absence, including absence due to illness. Please contact the finance office promptly if you experience payment difficulties.

Additional items

Additional items and services will be charged only where requested or authorised by a parent or guardian. Costs will be communicated and invoiced in advance, in line with the parent contract. Please refer to the invoice for the payment date.

Overdue accounts and withdrawal

- The school will notify the responsible payer of overdue fees and request payment or discussion of an agreed arrangement. Accounts outstanding for two months or more may be referred to an attorney for collection, subject to applicable law.
- Any termination for non-payment will follow the notice and breach procedures in the parent contract. Under the revised contract draft, unpaid fees alone do not authorise withholding learner reports or suspension.
- Two months' written notice is required before withdrawing a learner, or two months' fees are payable in lieu of notice. Prepaid fees and final account adjustments will be handled in accordance with the parent contract.

Payment details

Please pay by EFT. No cash payments are accepted at school, and money must not be handed to teachers. Email proof of payment to admin@fowlerhousenamibia.com and use the payment reference provided by the school.
