**Notice: Interview Rescheduling**

RE: RFP #F&C-CAPPM-001

In light of several similar inquiries regarding the availability of key team members due to the July 4 holiday and the availability of the One Brooklyn Health System, Inc. (OBHS) interview team, the short list interviews will be rescheduled to Thursday, July 12.

Time and location will be determined and announced on or after Tuesday, July 3, to allow proposers time to prepare for the interview. The interview will include specific questions that OBHS will ask that the vendors address; questions will be sent to selected interviewees as part of their interview notification.

This notice will be posted at <https://obhs.org/rfp-information> and on the [New York State Contract Reporter](#).
