Larry's History

Marci and Larry Redding opened Larry's Lunchbox, a Jewish style Deli in 1987. They quickly earned a loyal following with generous portions and authentic Jewish flavors.

After nearly forty years in business, Larry and Marci decided to retire and sold the business to their long time Chef, Oscar.

Oscar and his family lovingly keep the memories of Larry's alive. They use the original recipes and the taste, quality and portion sizes remain the same.

Larry's is now offering a full catering service as well as adding some new items to the menu.
