

Undivided

Supporting families raising children with disabilities or developmental delays

At Undivided, we help families:

- Find providers for **diagnoses**, services, and assessments
- Tackle **school IEPs**, 504s, and assessments
- Make the most of **public benefits** like Regional Center, Medi-Cal, and IHSS
- Find the right **therapies and specialists**
- Get the most out of **private insurance**

Undivided partners parents with a **Navigator**, who has their own personal life experience and the experience of helping hundreds of parents navigate the systems, challenges, and joys of raising our kids.

“Undivided’s Binder has kept all my child’s paperwork at my fingertips through 3 moves in 3 years.

- Michelle

↳ The Undivided app gives parents a structured place to organize all their child’s information and documents.

“My Navigator helped me get a significant increase in IHSS hours, equating to about \$2,500 per month for my son’s needs.

- Jen

↳ Many parents are unaware of the public benefits available to them regardless of income. Undivided families unlock on average \$15k in benefits that they didn’t have before.
