

Reno Veteran Hockey

Dear RVH Member,

The Reno Veteran Hockey (RVH) Board is writing to you to announce a change in our membership. First, we have had an outstanding first year establishing our organization. We have had good reactions to our organization with fundraising in our local Reno community. We are able to afford ice time locally and even have a sponsored "E" level team!!

As we look to the future, we are very excited to grow our organization. Hopeful to add some future tournaments, Higher skill level teams in Reno, and to be able to use some of our organization's funds to give back to our local community and non-profit organizations.

With that in mind we will be establishing annual dues for membership. Dues will be \$100 per year per member. These dues will cover the cost of the administrative needs, taxes, and QuickBooks. We will also be fundraising for ice time, jerseys, and tournaments throughout the year.

Payments

- \$50 due by July 1st, 2025, prorated for the remainder of 2025.
- \$100 due January 1st, 2026, for the 2026 year

Payment can be made to the organization by the follow:

- Venmo- Reno Veteran Hockey
- Check- made out to Reno Veteran Hockey
- Cash- paid only to Kelly Cavins

What's included in your membership:

- Access to ice time with the RVH throughout the year

- Access to all RVH functions
- Access to travel tournaments based on skill level and space availability
