PRODUCT SPOTLIGHT: APU

ITS serves a wide variety of Auxiliary Power Units (APUs) across multiple aircraft. ITS is your partner for APUs because of the value we provide:

- Technical records, traceability and complete back to birth trace
- Value pricing
- Availability

We offer multiple services to better serve your needs, such as Flat Rate Exchanges, Leasing and Sales.

FLAT RATE EXCHANGE

If your APU has a problem, we offer solutions by providing you with a flat rate exchange APU that delivers the following benefits:

- Save turnaround time
- Predictable cost for budgeting purposes
- Eliminate the risk of a shop visit

LEASE

We provide short term (30 days - 3 months), medium term (3 - 12 months) and long term (12 months or longer) solutions to your APU requirements that deliver the following benefits:

- Reduced turnaround time
- Keep your airplane flying while your APU is serviced
- Several end of lease options to eliminate out of pocket expenses
 - Flat rate exchange
 - Exchange based on leasing costs
 - Purchase
 - Discounted flat rate based upon cycle usage

SALES

We offer complete APU as well as LRU/components for sales to our customers.
