

## UV Protection Policy

The health and well being of employees and sub-contractors is priority for Coastal Constructions (VIC) Pty Ltd. The business acknowledges and recognises that skin cancer is a preventable disease and will actively promote, encourage, and support skin protection in all work activities with which they are associated.

Where possible Coastal Constructions (VIC) Pty Ltd will actively encourage all employees or sub-contractors to wear UV protective clothing

This Includes:

- Shorts or tops which have longer sleeves and a collar.
- Longer legged shorts where appropriate.
- Hats whenever practical
- Eye protection
- Actively encourage all employees to routinely apply sunscreen and stress the importance of regular re-application.

Managers and Site Supervisors are responsible for the implantation of this policy in their area of responsibility and:

- Must encourage and promote good Sun Safe work practices,
- Direct all workers to stop, if they are engaged in practices that do not comply with this policy.
