

COVID POLICY UPDATES AS OF 6.26.20

STATEMENT OF SYMPTOMS AND QUARANTINE:

Pursuant to the Governor of New Hampshire's guidelines, all registered guests must attest that they are exhibiting no symptoms of COVID-19.

Symptoms Statement: No one in my party is currently exhibiting any symptoms of COVID-19 such as:

- 1) Fever in the last 48 hours.
- 2) Respiratory symptoms such as sore throat, cough or shortness of breath.
- 3) Flu-like symptoms such as muscle aches, chills and severe fatigue
- 4) Changes in a person's sense of taste or smell.

INN POLICIES:

Anytime you are entering the lobby, please wear a mask and maintain a distance of six feet from employees, as per CDC guidelines.

We encourage all guests to check in via phone, as we can process transactions and code keyless entry from doors remotely. This allows for direct access to your room from your vehicle and limited contact that is safest for both our guests and employees.

Please be aware: housekeeping and staff will not be allowed to enter your room once you check in unless you have a maintenance emergency.

All bedding and rooms are cleaned utilizing EcoLab products, which are a leader in supplying for hotels and hospitals. All cleaning supplies meet CDC requirements.

Traditional room service and refreshes have been suspended. We are happy to exchange towels as needed and supply any additional items stocked in your room during your stay. Please contact the front desk during lobby hours and make arrangements for the exchange. Please keep in mind we have separate towels available for pool use.

Our extended common area will remain closed until further guidelines are issued for guest safety. Our pool is open and guests will be encouraged to maintain social distancing while using the facility. Our common area grill will be available for using during your stay. We will disinfect the grill and utensils regularly. Please report any issues or concerns.

We will not be able to house people who have tested positive for the COVID 19 virus, as promised to the Red Cross.

Employees exhibiting flu-like symptoms (specifically a fever, cough, or shortness of breath) will not report to work.
