

Testimonial For Rosemary Altea by Karen 4-28-21

Yesterday I had fabulous appointment with Rosemary Altea and Grey Eagle. Rosemary's abilities are very on point and so accurate. One thing after another came thru during the reading that I knowledge was coming from a loved one. She even is able to tap into the loved one's personality's while being so accurate and described things so well. Rosemary really helped me with several things I am struggling with and she gave me comfort, she made me laugh and tear up a bit with her fantastic ability to bring thru people I wanted to hear from, from the spirit world.

I shall treasure this experience always and I will continue to watch her weekly on Facebook & YouTube.

Rosemary is a beautiful person inside and out with an incredible gift, and she is someone you would love to have a cup of tea with some day.

I will be back booking another appointment with her again someday, it was absolutely the best experience I have ever had.

All the best to you, Karen Young

Happy Anniversary to you and Grey Eagle on your wonderful book "The Eagle and The Rose "by Rosemary Altea!
