**Johnson County Ambulance District  
Warrensburg, MO 64093  
Ambulance Vehicle Bid**

**Clarifications to Invitation to Bid & Specifications**

**Date:** August 5, 2019

**Clarification 3:** SECTION 1: VEHICLE CHASSIS, 1.2 CHASSIS SAFETY

Reference forward collision mitigation system on page 11.

It is our understanding that the forward collision mitigation system is not available from Dodge for the Dodge / Ram 5500 chassis.

JCAD does not want a non-OEM or aftermarket system. The specification for a forward collision mitigation system is being omitted.

**Clarification 4:** SECTION 4: MODULE DESIGN AND CONFIGURATION

4.1 MODULAR DIMENSIONS (*reference page 14*)

Modular Height was stated as “The overall exterior height shall not exceed 110 inches”. This specification was issued in error.

The correct specification shall be:

MODULAR HEIGHT: The overall exterior height shall not exceed 115.5-inches.
