

SPECIAL MESSAGE ON COVID19 FROM GREG PRINCE

Attention All BigFoot Archery Club Members,

This is an official notice that all leagues at the club are suspended due to Governor Ever's coronavirus mandate.

All schools, bars, and restaurants are closed until further notice and social gatherings of more than 10 people at clubs such as ours are banned as well.

If found in violation of this mandate the possibility of 30 days in jail and/or a \$500.00 fine exist.

I believe we have a moral as well as a legal responsibility to follow this mandate.

The club may continue to be used as long as there are not more than 10 people there at one time, but tables, the bar, bathrooms, etc. must be disinfected before you leave since surface contact is the easiest way to spread the virus. The virus can exist in a person's body with no symptoms for as long as 14 days, yet the person is infectious and can spread the virus.

Walworth County had their first positive cases today.

More information will be provided as it is made available.

If you have any questions please feel free to call or email.

Thank You,
Greg Prince
BFA President
