Welcome

Call to Worship:

Come, people of God. The Lord has heard the cries of His people and has called us into His presence.

We come to worship the God who delivers and saves.

The God who appeared in the burning bush is still the God who speaks today.

We come with open hearts, ready to hear His voice.

The God who parted the Red Sea still makes a way where there seems to be no way.

We trust in His power and His faithfulness.

Through Jesus Christ, our Passover Lamb, we have been set free from the bondage of sin.

Let us worship the Lord with thanksgiving, praise, and joyful hearts!

Opening Prayer:

Almighty God, Today we gather to worship You, the God who hears the cries of Your people and faithfully makes a way when there seems to be none. Just as You delivered Israel from slavery in Egypt, thank You for delivering us from the power of sin through Jesus Christ. As we worship today, open our hearts to Your Word. Help us to trust You when we find ourselves in the wilderness, to follow You when the path seems uncertain, and to remember that You are always with us. Fill this place with Your Holy Spirit so that everything we say, sing, and do would bring glory to Your name. May we leave today encouraged, strengthened, and reminded that our greatest Deliverer has come in Jesus Christ. In His holy name we pray. Amen.

*PRAYER OF DEDICATION:

Gracious God, Everything we have comes from You. Just as You provided for Your people in the wilderness and faithfully led them into freedom, You continue to provide for us each and every day. Receive these gifts that we bring before You today. Use them to proclaim the good news of Jesus Christ, to care for those in need, and to help others discover the freedom and hope found in You. Bless both the gifts and those who give them, and teach us to trust You with generous and grateful hearts. May all that we offer today bring honor and glory to Your name. In Jesus' name we pray. Amen.

MORE THAN
“LET MY PEOPLE GO”

A dramatic black and white illustration of a path leading through a stormy sea towards the pyramids of Giza. The path is made of cobblestones and is flanked by large, crashing waves on the left. In the distance, the Great Pyramids of Giza are visible under a cloudy sky. A palm tree stands on the right side of the path.
