Have a Heart Program:

Today is your opportunity to “pick” a heart from the wire Have a Heart Tree located on the altar railing. Each red paper heart has the name and address of a person who would really benefit from a call, a card, a text, or a visit from you to know that they are loved and important to us. Some people are currently in nursing homes, or home bound, while others may live alone and appreciate you contacting them. Some people may have moved away and miss our church family. Please make a connection during the month of February. You will be glad you did.
