Blessing Box:

SCHOOL'S OUT FOR SUMMER! Some may remember being a student and excitingly ushering in this iconic song anticipating a few months of 'relief'; others, perhaps not. For many children living in Oswego County, the summer months have 'hunger' attached to the season. We say this because New York State data collected in 2023 indicates our county makes the 'Top 10' for having the hungriest kids in the state. OOF! There are 62 counties in New York, including New York City boroughs. That is a lot to digest - pun intended.

That brings us to the **Blessing Box** - time to think of summer, hungry kids, heat, and BB items that will fill some gaps, including personal hygiene and household maintenance. Thank you for all you do!
