Welcome Letter

THANK YOU for your interest in our OYCE Jazz Bands!

We are ecstatic at the prospect of having you be part of our accomplished jazz program! We pride ourselves in upholding the highest standards of musicianship within our auditioned ensembles. Our jazz ensembles feature a variety of quality works of varying genres. Through your dedication, discipline, and artistry, we can accomplish great feats and help you grow — and take back what you learn to your band programs!

About Our Ensembles

We strive to create a unique jazz education experience. We hold our groups to professional standards and therefore rehearse professionally. We have frequent guest clinicians that help support our ensemble directors in giving you appropriate musical direction. We work on multiple concert programs simultaneously to plan for the many concert and performance opportunities offered by our partnering organizations.

During your tenure, we hope to aid in your progress in becoming more complete musicians, professionals, and people. We hope to continuously develop your appreciation of the arts and help you become better versions of yourselves through music. We want to create an environment where you create fond memories and most importantly — **Have Fun!**

Welcome to the Orlando Youth Chamber Ensembles!

Audition Guidelines

Placement, Not Rejection	This audition is for **placement** into individual ensembles, not for entry. OYCE firmly believes that no student — regardless of ability — should be turned away. We strive to place every student in a positive environment where they can succeed and grow as musicians.
Play Your Best	Play to the best of your ability. We are interested in knowing where you are on the day of the audition — play what you can. We know the sky is the limit for everyone!
Questions Welcome	Please send all questions to **info@oyce.org** with your name and instrument in the subject line.
Final Results	All results are final for jazz group placements.
Emergency / Conflict	In the event of an emergency or conflict, students may request to submit a **virtual audition**. Approval falls to the ensemble directors and that decision is final.
Late / Missing Auditions	Failure to audition or submit a recording on time will result in placement being determined by one of the ensemble directors.
Membership Requirements	Membership is granted upon fulfillment of your audition AND completion of your member packet, registration fee payment, and membership fees (or an emailed notice of intent to pay in installments). **Financial hardship will not prevent you from participating**, but failure to communicate professionally will. Let us know if you need help with membership costs.

Judging Rubric

Auditions are scored across five categories, each worth up to 10 points (50 points total):

Rhythm Accuracy	Significant rhythm problems throughout	Several unclear rhythmic passages	Most rhythms correct with minor inaccuracies	Rhythms precise; attacks and releases exact
Technical Facility	Poor fundamentals inhibit performance	Good technique, but jazz style incomplete	Proficient technique; jazz style evident	Excellent command of technique in jazz style
Improvisation	Poor or no concept of form; limited jazz vocabulary	Shows proficiency with rhythmic/melodic ideas	Excellent grasp of form and jazz language	Develops melodic ideas through full song form in jazz style
Phrasing, Dynamics & Articulation	Musical expression absent or ineffective	Expression present but too subtle	Musical expression evident throughout	Performance clearly expresses composer's intent
