8. Provincial Reports
- a. British Columbia
    - i. After 48 years, Keith retired as BC President last year and Butcher took over. We hosted our Provincials this year in Burnaby & had our largest ever attendance with 268 entries. Practice numbers are also up. My gym in Burnaby reached 35 people every practice and is now maxed out. (8 tables). Every new person now I send to Butchers gym in Vancouver, he has 6 tables set up and runs multiple practices every week. We keep getting new people wanting to join through either Instagram or our Website. We have 3 new events in the Vancouver area. BC Provincial Championship (was always in Kelowna) Burnaby Armwrestling Championship Arm Samurai Armwrestling Championship.
  - b. Alberta
    - i. 2024 provincials in Edmonton. Lots of kids and new armwrestlers. Lots of leagues opening up and conflicting with each other. 3 new clubs within the last year.
  - c. Saskatchewan
    - i. Growing the sport. Good working relationship with Anthony. Lots of travelling and train with each other over SK. Women have increased. Next years hosting Nationals in Regina.
  - d. Manitoba
    - i. Newly elected Vivian Santos. My plan to deal with the governance within Manitoba. Tournament report of 25 tournaments across Manitoba. Proudest moment was MAWA was involved with organizing the wrist-wrestling tournament at the 2023 Police Firefighters Games in Winnipeg. Developed security protocol for Provincials.
  - e. Ontario
    - i. Newly elected Earl Wilson. Record turn out for provincials. Making a generalized website to get more involved in social media. Standardized their tournaments to make it easier for promoters and attendees. Potentially create a Northern Ontario qualifiers for the Nationals, how does that affect CAWF, still need to figure out.
  - f. Quebec

- i. Biggest Provincials 400 entries, over 2 days in the same format as Nationals. Total 666 entries and prob next year over 700 entries. Need to find another location as firefighters have stated too many ppl. Worked on a quadrant format to deal with qualifiers for provincials. Goal is to get armwrestling into the schools for juniors, and then have schools host the provincials for the juniors. 4,000 members. Lots of new members from Ukraine, however not citizens and cannot attend Provincials. Next year registration is online only, most of the cities don't want to host because there are too many athletes. Discuss with Dave to do a specific clinic for referees. Develop a program for promoters, coaches, clubs, referees.
  - g. Newfoundland (FYI - no membership)
    - i. Brad Miller. In the sport for 6 years. Biggest provincials and 4 peoples attending Nationals. Practice every week. Getting a youth program.
  - h. New Brunswick
    - i. Last year New Lvl 1 set for a referee. REferee challenge for his lvl 3 which will help for provincials. 150 entries 70 youth. Next year will have two tables which is great achievement. Appointed a new social media. Hosted an armwrestling clinic to promote the sport. Want to try and get the sport in schools.
  - i. Nova Scotia
    - i. Lots of interest. May have a member go into schools and create a school championship. Start with 1 school vs 1 school instead of going through the school athletics program. More girls then boys. Provincials went well. Good rivalry with NB.
  - j. Prince Edward Island
    - i. Two main clubs. Not a lot of events but travel to NS or NB when they host tournaments.
  - k. Yukon (FYI - no membership)
    - i. Lot of roadblocks due to travel. 45,000 and 12,000 are in remote areas which are more fly in. We do need a referee to be involved in the Arctic Games. 3 steady athletes involved.
- 9. CAWF Canadian Nationals 2026 Bids.
  - a. No bids. NFLD would be interested with assistance.
- 10. New Business
  - a. 2025 Canadian Nationals & WAF Qualifiers (Vivian Santos, Manitoba)
    - i. *(to be updated - need to review the agm video)*
  - b. Junior classes at Nationals (Rick Pinkney, Nova Scotia). Tabled for the next meeting.
  - c. Athletic Black Shorts unless they are part of a Provincial/Territories Team Uniform at Nationals (Rick Pinkney / Dave) carried
  - d. Updates to Article 28, Team Canada, of the Constitution (Tracey Arnold, Saskatchewan)

- i. Summarized rules for Nationals promoters and grabbing stuff from the constitution. Create a summarized constitution. Updating the constitution prior 2020. Work with the Secretary-Treasurer on this.
        - ii. Proposing to amend the appropriate section of the constitution where venues for Nationals should be accessible, including stages. When we do these changes, we can tap into Federal funding. Bring it back to a special meeting.
      - e. Discussion about EAC (Dave Knox)
        - i. Curious about the video, and clarity of the role of EAC. It was an idea to try and introduce the EAC and normalize the EAC. Lots of content on EAC website in terms of purpose and content. Open to new ideas. QR code at Nationals instead of a video.
        - ii. No EAC video presented at the 2024 Canadian National Championships, must be added to the Quebec Armwrestling website, together with links to CAWF and EAC website. (Dave / Tracey) carried
        - iii. Confusion with the EAC role within CAWF. Ethics Advisory Committee. Not advising but making decisions. Truly an advisory and committee of CAWF should be used to make recommendations, not decisions. EAC was instrumental in re-writing the constitution and contributed to the CAWF. Should they be commissioned rather than a committee. Recruiting more within the organization. Being able to vote at CAWF, to bring ethics and equity. Personal perspective when EAC makes a decision - CAWF president credibility is on the line. There is a perception that the EAC is higher than the President. EAC is evolving and should be an advisory committee. CAWF is accountable to the EAC decisions it is making. How to manage that perception to the athletes. Where does the committees authority end? Only within the membership. Can EAC define the membership. To be tabled for the next meeting.
11. Every third year, using 2015 as a reference, Board of Directors and Executive Committee will vote on the following:
  - i. President (current Ryan Espey) Nominated by Rick / Dave. Acclaimed
  - ii. Referee-in-Chief (current Dave Knox). Nominated by Rick / Earl. Acclaimed.
  - iii. Director of Communications (Anthony Dall'Antonia) Rick / Jason. Acclaimed.

Regrets

Newfoundland - Alex Matchim

Vivian Santos takes the Chair.

Motion to bring Items Nos. 11 & 13 to positions 2 and 3. Rationale - a lot of discussion in the letter that may change ppl's minds during elections of executives. Decide that before. Bring to the beginning of the Agenda and renumber accordingly.

Moved Ryan / Charlie seconded - carried.

Ryan Espey resumes as Chair.

Moved Charlie / Marc Andre seconded - carried.

2. Josee Morneau presentation of the following:

a. Presentation of Letter to CAWF (**attached as APPENDIX A**)

i. Josee reads the letter into the record.

Motion to allow Fred Roy to speak in delegation.

Moved Josee / Steve seconded - carried.

- ii. Fred Roy introduces himself - former WAF and CAWF president. Going back on board in one direction. Letter is going ahead. Wants CAWF exec back on board.
- iii. Many questions and feedback provided:
  - 1. Letter states to separate from IFA, and join WAF, with criteria. Why is WAF want one person to be represented?
  - 2. 2nd page qualifier issues, WAF does not follow the qualifier.
  - 3. Unfortunately there are many trust issues with Joey, CAWF did pay WAF dues.
  - 4. Surprised by the approach, getting the partnership from CAWF is in the best interest, Joey is standing at WAF with no other federation approval, para-olympic discussion, Joey having a voting seat.
  - 5. WAF have been banning ppl, IFA won't be able to go to Canadians.
  - 6. Joey provides a list of ppl who gets banned, he is the conduit who states which armwrestlers gets banned or not banned, we attempted by submitted forms and we need NAAF to approve, we tried and got pushed back in our faces.
  - 7. Confirmed that CAWF continues to pay WAF fees.
- iv. Fred Roy responds:
  - 1. Joey is only recognized by WAF and they want him to do the job. Has not been privy to info, and CAWF have to get on board with WAF and Ryan Espey can attend WAF congress meetings. Currently, the Nationals are not following WAF protocol, and states the Joey issue is not the problem. Joey did the right thing by staying with WAF this entire time, and what Rick did was inappropriate. Joey does not have anything to do with this. Armwrestlers who attended IFA last year can be reinstated thru a

pardon. Need to stand up to WAF by rejoining and then fixing the other issues.

Jason Tibok, AB (arrived at 6:45PM)

Delegation closes and executive debates.

- v. How is the WAF 50th anniversary happening in Canada?

Motion to allow Fred Roy to reappear in delegation.

Moved Charlie / Dave Seconded - carried.

1. Fred responds and advises that the fee to host the WAF Worlds in Canada has already been paid for. If CAWF executive does not sign on, the WAF Worlds in Canada will still happen.

Delegation closes and executive debates.

1. Options were put forward: the executive can receive the letter as information and do nothing, OR create a sub-committee to discuss the letter further and possibly negotiate by writing a letter stipulating CAWF criteria to join WAF, OR accept the letter as written and join WAF.

Vivian Santos takes the Chair.

Motion to receive the letter as information.

Moved Ryan / Tracey seconded - recorded vote: 8 Yay, 0 Nay, 4 Abstained - Carried.

Ryan Espey resumes the Chair.

  - i. Question of why is Chantal voting, and wants clarification. Clarity provided that there was an AGM that the EAC chair has a vote. The constitution needs to be updated.
- c. 2024 Canadian Nationals add 50+ KG class for womens (ex. 70 kg & 70+ kg)
  - i. Incorrect agenda item and it is not a new weight class that is being suggested. Josee wants a new age class. Spoke with Marc-Andre for upcoming Nationals and wants grandmaster women to be 50+ age.

Motion to add women's grandmaster 50+age division with two (2) classes, right and left, to be trialed at the upcoming 2024 Canadian National Armwrestling Championships.

- b. Form a Sub-committee (6-month term) to review all past AGM notes and update the CAWF Constitution where applicable.
  - i. EAC and the Chair should always be reviewing the constitution every two years. The constitution has been updated in 2020 and needs to be forwarded to the Director of Comms to update the website. The Chair of the Sub-committee would only need to review the last two years of the minutes of the AGM.

Motion to nominate the Chair of the EAC of the Sub-committee, and include the Secretary-Treasurer & Director of Communication to assist with updating the constitution.

Moved Tracey / Charlie seconded - carried.

- c. Assign an Officer or CAWF Executive to update the constitution, when applicable.

## APPENDIX A - LETTER TO CAWF

### **Fred - Addressing AGM at Nationals**

#### **Speaking Points**

- WAF has offered that Canada host the 50<sup>th</sup> WAF Worlds
- It would be a great opportunity to host the biggest armwrestling event while celebrating 50 years in armwrestling
- Potential sites would be Toronto, Vancouver or Montreal
- We are required to put up the \$2500 Euro for the bid bond
- Fred, Keith, Lise, Joey, Patrick and Dave are committed to making this work
- We would love the CAWF to be on board

We need to build Canada up to the strength it used to be in order to effect change at the world level, and we can't change the way WAF operates unless we are part of WAF.

The IFA had great intentions and have tried to build a strong federation but have not received the support from other countries.

Unfortunately, because of the split Canada has lost its place as one of the leading countries in WAF. And has not kept up with the changes made at the WAF level. We now need to work our way up from the bottom, the important thing to focus on is the sport in Canada and the competitors.

Although we might not agree with the way WAF is managed they have made great strides in the past 10 years such as

- Being recognized by GAISF, WADA, FISU, AIMS, Sport Accord, International Paralympic Committee and World Combat games.
- Adding Para-Armwrestling Categories
- State of the Art Weigh-in and Scorekeeping technology
- Streaming live all over the World
- Referee's Training and certifying seminars

Let's work together to host the 50<sup>th</sup> Anniversary of the WAF Worlds and bring Canada back to the forefront at the WAF level by adding:

- 1) Para classes
- 2) Following the classes offered at World Level (not offering all classes but choosing within WAF classes)
- 3) Double elimination
- 4) Hosting the new WAF Referee Seminars.

In order for the CAWF to take its rightful place at WAF the following needs to happen

1. CAWF will need to attend the WAF Championships under the umbrella of the Team Canada Armwrestling Federation (TCAF) (the only WAF recognized Canadian Federation) for 2024, 2025 minimum and 2026 if a united Canada has not been achieved.
2. Joey Costello will have a voting seat on the CAWF Executive, either as Vice-President or WAF liaison. This is required as he is the only recognized Canadian Representative at the WAF level.
3. TCAF will have one CAWF director attend the WAF Congress as its guest.
4. In December 2027 TCAF will change its name to CAWF and a new CAWF election will can be held.

During these two years we will need to work on the following:

- Canada cannot be part of two World Armwrestling Federations
- Turn our National event into a WAF Qualifier instead of an IFA qualifier.
- Work as a team to bring our numbers at Nationals over 1000.
- Make every effort to fill all the classes at the WAF Championships by 2026.

The CAWF has already left the IFA, the standing members of CAWF who voted to leave WAF and/or attended an IAF Worlds will need to ask for a pardon in order to join WAF.

Fred Roy and Lise Blanchard have offered to be the intermediaries between the CAWF and TCAF therefore they will hold a voting position on the Board of the TCAF along with Joey Costello, Patrick Callan, Ashley Costello and Gord Squire.

Our goal (Fred & Lise) is to re-unite all of Canada by avoiding 2 Nationals and 2 World Championships as well claiming our rightful place as one of the leading Countries at the WAF level.

Should the CAWF not want to pursue this opportunity we will have no choice but to host our Own National qualifier for competitors to attend the WAF World Championships.

I (Fred) also request that the Executive vote on keeping the CAWF in good standing at the World Championships by paying the \$400 Euro country fee and half of the Team Captain fee of \$600.
