Welcome from the British Columbia Purebred Sheep Breeders Association

On Behalf of the British Columbia Sheep Breeders Association and the Canadian Sheep Breeders Association we are excited to Host the 39th Sheep Classic in Barriere BC. Nestled in the mountains of BC, the event will be held at the Agriplex Exhibition Complex. The amount of help and Volunteers for this event coming from the surrounding areas, can not be thanked enough . Also, a big thank you to all the sponsors, vendors and donors to our silent auction. A social will be held after the culling and a Banquet after the show. We can't wait to see old friends while making new ones, and developing new memories.

We also would like to invite all the young farmers to this event. The next generation is needed to keep the sheep industry alive, not just in BC, but in Canada. So, we decided to open up the Classic for a junior show as well jackpot market lamb to involve everyone. Bring yourself to the Classic and “share the adventure” and we hope to see you at the event.

Selling or buying Purebred Registered Sheep?

Purebred Registered Sheep signifies they have been registered with the Canadian Livestock Records Corporation (CLRC) and a certificate of registration will be provided with the sale of the animal. These records can be found online at www.clrc.ca and is the responsibility of the seller to pay for and initiate the transfer of the registration to the buyer.

These records will indicate the pedigree information and ownership status. We encourage you to confirm the animals you are interested in, are in fact **purebred registered animals**.

Under the Animal Pedigree Act, it is an offense to offer to sell, contract to sell or sell, as a purebred, any animal that is not registered or eligible to be registered as a purebred by the association authorized to register animals of that breed or by the Corporation.

2023 All Canada Classic Sale – Terms & Conditions

ORDER OF SALE:

- 1) Breeds will sell in the same order that they are listed in the show catalogue (alphabetical)
- 2) Within each breed, the sale order will be Champion Ewe, yearling ewes, fall ewe lambs, spring ewe lambs, Champion Ram, yearling rams, fall ram lambs, spring ram lambs.
- 3) Within each class, animals will be sold by the order of their placing in the show.

HEALTH and SOUNDNESS:

All animals will be rigidly culled by the culling committee and the attending veterinarian.

Please inspect your animals carefully at home. The following list outlines some of the undesirable physical traits that will serve as cause for an animal to be culled, but does not exclude other reasons that an animal may be culled.

1. Malocclusion / Dental Alignment
2. Lameness
3. Presence of external parasites
4. Orf lesions
5. Abscess
6. Entropion
7. Genital malformation
8. Body condition score less than 2
9. Tails must be docked at the end of the caudal fold and must cover the anus
10. Any other condition that concerns the veterinarian

The CSBA Classic committee is authorized to settle any and all disputes regarding culling and to interpret the rules. The committee culls based on health and sale standards, not breed standards. Their decision will be final. All animals that have been culled must be immediately removed from the sale facility.

REGISTRATION CERTIFICATES:

Original registration certificates must be signed on the back for transfer and submitted to the culling committee. This applies to all entries with no exception. Failure to supply the registration certificates will cause the animal to be excused from the sale without a refund of entry fee and the animal must be removed from the sale facility. Following the sale and financial settlement, the CSBA office will process transfers and the cost will be deducted from the consignor's sale proceeds. The transferred registration paper will be sent directly to the buyer from the CLRC.

IDENTIFICATION:

All consigned animals must either bear legible tattoos or paired CSIP tags. Confirmation that the identification stated on the registration paper is borne by the consigned animal is the responsibility of the culling committee. All consigned animals must bear a CSIP tag according to CFIA regulations. Animals failing to meet the identification standards will be culled from the sale and must be removed from the sale facility.

COMMISSION:

Sale commission is 15%, with the following exceptions: the minimum commission on animals that sell will be \$60 and the maximum commission on animals that sell will be \$300. Sale commission will be deducted from the consignor's proceeds. There is a \$400 floor price in place.

BUYERS:

Buyers must obtain a buyer's number from the sale clerk before they are eligible to bid in the auction. Buyers must provide their full name, address, telephone number and email address and indicate exactly how each animal is to be transferred.

TERMS:

Payment may be made by cash, personal cheque, debit card, Visa or Mastercard or e-transfer. Animals will not be released from the sale facility until payment is processed. Registration papers will be transferred when personal cheques have cleared the bank. Any animals purchased by credit card (VISA/MC) will be subject to an additional 3% fee.

GUARANTEE:

Each consignor guarantees clear right and title to all animals that present for sale.

All animals are guaranteed breeders, if properly handled. All males are guaranteed breeders. Should any ram fail to prove to be a breeder, any claim for adjustment must be made within 18 months of the date of sale. A satisfactory settlement shall be deemed to be replacement with another ram of equal value and health status or refund of purchase price.

The seller shall have the right, if so desired, to try a ram for as much as 75 days to determine whether he is a satisfactory breeder, before making final adjustment.

All females are guaranteed breeders. Should any female 12 months of age or older, not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser has the right to claim adjustment in writing to the seller within 12 months of the sale.

Should any female younger than 12 months of age and not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser should notify the seller within 12 months from the date of sale, but wait to see if the ewe again fails to become pregnant by 24 months of age, before claiming adjustment in writing to the seller. Satisfactory settlement shall be deemed to be replacement with another ewe of equal value and health status or refund of purchase price.

The purchaser shall notify the seller as soon as any concern with an animal arises.

Exposed ewes of any age, even if marked prior to sale, are not guaranteed to be pregnant or produce living lambs.

Under no conditions will the seller be liable for more than the original purchase price of the animal.

The seller may direct the marketing of the animal and refund the difference between the purchase price and the market value as shown on the sales receipt.

No incidental expenses, such as feed, care, etc. will be charged by either party when making settlement. All transportation charges are the responsibility of the buyer.

No settlement will be completed until the registration certificate is retired or endorsed and returned to the seller. Any settlement of such guarantee is between the seller and buyer and is subject to the restrictions set out above. The Canadian Sheep Breeders' Association and the British Columbia Purebred Sheep Breeders' Association assume no responsibility, expressed or implied, with respect to this guarantee or the restrictions set out above.

RISK/REMOVAL:

All animals are at purchaser's risk as soon as sold. Delivery must be taken at conclusion of sale. All animals must be removed from the barn by 9:00 PM on Saturday July 8, 2023.

ERRORS:

If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or oral, supersede any material written in this catalogue.

LIABILITY:

The Canadian Sheep Breeders' Association and the British Columbia Purebred Sheep Breeders' Association, and their directors, owners and employees accept no liability that may occur. Accidents at sheep sales are very rare, but all attending must do so at their own risk.

Vente Classique Canadienne du Mouton 2023 – Conditions

ORDRE DE VENTE:

- 1) Les races se vendront dans leur ordre d'énumération au catalogue de l'exposition (alphabétique)
- 2) Dans chaque race, l'ordre de vente sera Brebis championne, Brebis d'un an, Agnelles d'automne, Agnelles de printemps, Bélier champion, Béliers d'un an, Béliers d'automne et Béliers de printemps
- 3) Dans chaque catégorie, les animaux seront vendus selon leur ordre de placement dans l'exposition.

SANTÉ et SOLIDITÉ:

Tous les animaux seront réformés de façon stricte par le comité de réforme et le vétérinaire traitant. Prière d'inspecter vos animaux avec soin chez vous. La liste suivante énonce certains des caractéristiques physiques indésirables qui conduiront à la réforme d'un animal, mais elle n'est pas exhaustive de tous les motifs de réforme.

1. Disclusion
2. Boiterie
3. Présence de parasites externes
4. Lésions d'ecthyma contagieux
5. Abscesses
6. Entropion
7. Malformation génitale
8. Cote de condition physique inférieure à 2
9. La queue doit être amarrée à l'extrémité de la palmure caudale et doit recouvrir l'anus
10. Toute autre maladie qui concerne le vétérinaire

Le comité de Classique de SCEM est autorisé à régler tout différend en ce qui concerne la réforme et à interpréter les règles.

Le comité sélectionne les normes de santé et de vente et non les normes de race. Ses décisions seront finales. Tous les animaux ayant été réformés doivent être immédiatement retirés de l'installation de vente.

CERTIFICATS D'ENREGISTREMENT:

Les certificats d'enregistrement originaux doivent être signés à l'endos pour le transfert et soumis au comité chargé des animaux de réforme. Cela vaut pour toutes les participations sans exception. À défaut de fournir les certificats d'enregistrement, l'animal sera exclu de la vente sans remboursement des droits d'entrée, et l'animal devra être retiré de l'installation de vente. Après la vente et le règlement financier, le bureau de la SCÉM traitera les transferts, et le coût sera déduit du produit de la vente du consignateur. Le document l'enregistrement transféré sera envoyé directement à l'acheteur par le SCEA.

IDENTIFICATION:

Tous les animaux consignés doivent porter des tatouages lisibles ou des étiquettes PCIM jumelées. Il incombe au comité de réforme de confirmer que l'animal consigné porte l'identification indiquée sur le document d'enregistrement. Tous les animaux consignés doivent porter une étiquette PCIM, selon les règlements de l'ACIA. Les animaux qui ne répondent pas aux normes d'identification seront retirés de la vente et devront être retirés de l'installation de vente.

COMMISSION:

La commission de vente est de 15%, avec les exceptions suivantes: la commission minimale sur les animaux qui se vendent sera de 60\$ et la commission maximale sur les animaux qui se vendent sera de 300\$. La commission sera déduite du produit du consignateur. Il y a un prix de base de 400 \$ en place.

ACHETEURS:

Les acheteurs doivent se procurer un numéro d'acheteur auprès du commis des ventes pour pouvoir enchérir à l'encan. Les acheteurs doivent donner leurs noms et prénoms, leur adresse, leur numéro de téléphone et leur adresse de courriel et indiquer exactement comment chaque animal doit être transféré.

CONDITIONS:

Le paiement peut être fait au comptant ou par chèque personnel, carte de débit, Visa ou Mastercard. Les animaux ne pourront pas sortir de l'installation de vente avant le traitement du paiement.

Les achats d'animaux payés par carte de crédit (VISA/MC) seront majorés de 3 %. Les documents d'enregistrement seront transférés lorsque les chèques personnels auront été compensés par la banque.

GARANTIE:

Chaque consignateur garantit que le titre sur tous les animaux présentés à la vente est libre de toute charge. Tous les animaux sont des géniteurs garantis s'ils sont manipulés de façon appropriée.

Tous les mâles sont des géniteurs garantis. S'il s'avère que le bélier n'est pas un géniteur, la demande de rajustement doit être faite dans les 18 mois de la date de la vente. Un règlement est considéré comme satisfaisant s'il y a un remplacement par un autre bélier de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

Le vendeur a le droit, s'il le désire, d'essayer un bélier pendant un maximum de 75 jours pour voir s'il est un géniteur satisfaisant, avant de faire le rajustement final.

Toutes les femelles sont des génitrices garanties. Si une femelle est âgée de 12 mois ou plus, n'est pas enceinte au moment de la vente et ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur a le droit de réclamer un rajustement au vendeur, par écrit, dans les 12 mois de la vente.

Si une femelle de moins de 12 mois, qui n'est pas enceinte au moment de la vente, ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur devrait aviser le vendeur dans les 12 mois de la date de la vente, mais attendre de voir à nouveau si la brebis ne tombe pas enceinte dans ses premiers 24 mois, avant de réclamer un rajustement au vendeur, par écrit. Un règlement est considéré comme satisfaisant s'il y a un remplacement par une autre brebis de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

L'acheteur doit aviser le vendeur dès qu'il y a une préoccupation au sujet d'un animal.

Il n'est pas garanti que la brebis exposée, à tout âge, même si elle est marquée avant la vente, est enceinte ou produira des agneaux vivants. En aucun cas, le vendeur ne devra payer plus que le prix d'achat original de l'animal.

Le vendeur peut ordonner la commercialisation de l'animal et rembourser la différence entre le prix d'achat et la valeur marchande indiqués sur le reçu de vente.

Aucuns frais accessoires, par exemple, pour les aliments, les soins, etc. ne seront imposés par l'une ou l'autre partie au moment du règlement.

Tous les frais de transport sont à la charge de l'acheteur. Aucun règlement ne sera final avant que le certificat d'enregistrement ne soit retiré ou signé et renvoyé au vendeur.

Le règlement de la garantie se fait entre le vendeur et l'acheteur, sous réserve des restrictions énoncées ci-dessus. La Société canadienne des éleveurs de moutons et British Columbia Purebred Sheep Breeders' Association n'assument aucune responsabilité, expresse ou implicite, en ce qui concerne la garantie ou des restrictions énoncées ci-dessus.

RISQUES/RETRAIT:

Tous les animaux sont aux risques de l'acheteur, dès leur vente. La livraison doit avoir lieu à la conclusion de la vente. Tous les animaux doivent être retirés de la grange avant 2100, le samedi 8 juillet 2023.

ERREURS:

Si des erreurs sont notées, des corrections seront apportées au kiosque d'encanteur. Toutes les annonces au moment de la vente, écrites ou verbales, l'emportent sur ce qui est écrit dans le catalogue.

RESPONSABILITÉ:

La Société canadienne des éleveurs de moutons, British Columbia Purebred Sheep Breeders' Association, et leurs administrateurs, propriétaires et employés n'acceptent aucune responsabilité éventuelle. Il est rare qu'il y ait des accidents aux ventes de moutons, mais tous les participants assistent à leurs propres risques.
