RE: Election Results

As has been reported in the news, I am incredibly humbled to have earned the honor of representing the 2nd District on City Council.

First, I want to acknowledge Tavaris Spinks, his team and his supporters who ran a great campaign. I have no doubt Tavaris will be part of shaping our city's future, and am grateful to have gotten to know him this year.

To my family, volunteers and supporters –unequivocally- I wouldn't be here without you. You gave encouragement, invaluable guidance, funding, and most treasured of all during a pandemic - your personal time. From beginning to end, you shaped our successful campaign strategy and kept the momentum moving in a year none of us have ever experienced. Above all, you believed in my experience and a vision of the 2nd that is positive, forward looking and based in community engagement and equity.

Lastly, to the residents of the 2nd District, my excitement and love for our slice of Richmond has only grown during this process. I look forward to representing you at City Hall and fighting to make sure all residents in our district are heard and valued in the decision-making process. We have a lot of work to do, first and foremost recovering from the pandemic, but it is good work and I am genuinely optimistic for the future. You voted for someone to fight for our schools, our environment and smart, equitable, community-supported economic growth. I look forward to tackling these priorities with you and our incredible local partners and advocates. Please stay engaged and be active in what comes next. Together we can strive to make this new chapter for the 2nd live up to our highest expectations.

Sincerely,
Katherine
