AFFIDAVIT OF TRUTH AND ASSERTORY OATH, REPUDIATION AND REVOCATION OF CITIZENSHIP

“When in the Course of human Events, it becomes necessary for one People to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the Separation.

*We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, that whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly, all experience hath shown that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their **right**, it is their **duty**, to throw off such Government, and to provide new Guards for their future security. --- Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present (UNITED STATES Corp) is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.”*

So here shall I stand... I AM exercising my right to separate myself from the UNITED STATES Corporation for the following reasons:

This shall serve as notice to certify:

1. I am a Living Soul, so called by my Father and Mother since born, *Nicholas Kenrick*; of the genealogy of *Sorrick*, was born *28th* of *Febuary*, known by birth records listed as Vancouver of Washington State.
2. I am known as Nicholas Kenrick Hill.
3. I presently live upon the land in Arizona (not on the high seas) I am not lost at sea.
4. I am NOT a Resident, Employee, nor Citizen of the UNITED STATES Government (Corporation) see 28 USC 3002 sec 15 (a) & (b), whose situs is Washington, the District of Columbia.
5. My relationship to that federal entity as far as jurisdiction is that of a non-resident alien to the Corporate UNITED STATES.
6. I am known as a Arizona American National, or Lawful Bloodline American.
7. I am a free and natural Man, described by the Lord YHWH in Genesis 1:26-28 and 2:7 as a Living Soul, living under YHWH's law and His grace alone.
8. I have assumed among the Powers of the Earth, granted by the Lord YHWH Almighty, the Separate and Equal Station to which the Laws of Nature and YHWH entitle me, giving me dominion over all things, see Genesis 1:28. Therefore, in order to secure the Blessing of Liberty to my posterity and myself, to re-acquire my Birthright as "one" of a member of the Sovereign Social Body of "*We the People*,"
9. **Maxim of Law:** No man can renounce the country in which he was born, nor abjure the obligation of his/her allegiance. Co. Litt. 129. Sed vide Allegiance; Expatriation; Naturalization. (The Nation State is the country state in which you were born and that cannot be renounced, by anybody or anyone).
10. I hereby declare solemnly that I repudiate, revoke, and asseverate my Citizenship, IF any ever existed, with the Legal fiction known as the "UNITED STATES" Government (Corporation), USA Inc, and any and all subsidiary corporations both known (STATE,

COUNTY, CITY,) and unknown under its control, which are merely sub-corporations under a mother corporation known as the UNITED STATES see 28 USC 3002 sec 15 (a) & (b).

11. I rescind all feudal contracts with that Federal government and its agencies.
12. I rescind all feudal contracts with the State of Arizona or the State of Washington, and the STATE OF ARIZONA or The STATE OF WASHINGTON and its agencies, contractors and employees and subcontractors.
13. I further rescind the Social Security number, fraudulently issued upon me by the government well before the age of 18. **Prior to the age of 18, I was legally incompetent to enter a legal contract with the government.**
14. The government's obfuscation of facts and the mis-information deceived my parents/me to believe (at that time) that I was required to secure a Social Security Account number in order to gain employment (which is not true).
15. The government agent(s) who obligated me and my parents to the Social Security System knew, or should have known, that there existed serious liabilities to anyone who accepted a Social Security Number. Said agent(s) never informed me of these facts. Failure to disclose facts, is an act of fraud and I have an equitable independent right to Rescind and Repudiate any contracts structured in fraud, and/or mutual mistake.
16. The Social Security Agent had a fiduciary responsibility to inform my parents and me of the true nature of the Social Security Trust Account and the obligations and liabilities that the Trust involved but failed to do so.
17. By its agent's silence, the government fraudulently established a Constructive Trust Agreement with me, without my accepting trustee-ship, therefore due to the bad-faith and unclean hands of my civil servants I am the sole beneficiary of my Social Security Trust due to the breach of fiduciary duty owed to me by my civil servants.
18. Since receiving that Account, I have through my religious instruction come to the belief that the Social Security number and/or Birth Number (CUSIP's) may be what is referred to in the Holy Bible, Book of Revelation 13:16-18 and 14:9-10, as the "*mark of the beast*" or at the least its precursor. For me to participate in that program and continue to use that number may place my eternal soul in jeopardy. This, I will not and cannot do.
19. I demand all monies which I have paid into that Socialist Security system during my lifetime, including the monies paid by my employer's demand, are hereby fully reimbursed to me.

20. I also now know that while under the extreme duress of my mother's childbirth, fraud was committed against my mother (and me) such that using my SS number or CUSIP, and using my mother as an informant, she gave me up to the STATE without full and honest disclosure causing me to be bonded and insured since my birth (as a commercial instrument).
21. Presently, the security funds linked to my social security number are being used by multiple Corporations including multiple Life insurance policies, without my knowledge or consent.
22. I demand that those bonds and policies be redeemed for real monies and if any debts are proved against me those debts withheld as payment in full that I may be made whole, and the balance paid to me in real money. (US Postal Money Orders, gold or silver shall suffice). I demand the Cestui Que Vie (CQV) Act of 1666 be found unconscionable. I am the beneficiary.
23. I demand the same treatment that was given to the people of the Philippines who were participants in the Social Security Trust and who choose Citizenship of the Philippines over that of the United States. As the Social Security program is not a feudal contract, in that Congress gave no property rights to a Social Security Trust Account, I demand the contract be voided and all monies returned, as would be the case for any fraudulent contract or Constructive Trust Agreement. The United States Government Corporation should not enrich itself from the Fruits of a Poisonous Tree (an illegal taking of my property).
24. I emphatically deny that I have ever filed for bankruptcy protection with any degree of complete understanding and honest disclosure.
25. I never gave my Power of Attorney to anyone or to the STATE OF WASHINGTON, or the STATE OF ARIZONA, or any of the union states or territories of the UNITED STATES (Corporation) government for the purpose of instituting a bankruptcy action in my name with any degree whatsoever of complete understanding, full and honest disclosure or without great duress.
26. I never granted that my Labor and or my property of whatever kind, or wherever situated, be held as collateral in any bankruptcy proceeding of the State or Federal governments, (civil servants).
27. I do not consent to the scheme, using my labor and property as collateral, to support or fund a fiat money scheme of the Federal Reserve Bank, Inc. and/ or the State of Washington, or the State of Arizona and/or Federal UNITED STATES Government.

28. I have found even real property has been stolen from me through fraud by agents of the County on behalf of the STATE. This should be allodial to me under Land Patent and described in metes and bounds, not in lot block tax#.
29. My family (all honorable men and women) has lived on the American soil many generations and now my once proud and patriotic family will suffer the anxiety of their spirit as a result of my having chosen to recognize the malignant and treasonous misconduct of this government against "*we the people*" and speak out against it.
30. My reasons for repudiating that Citizenship status are defined in the following Articles and by the totality of this document and are made a part hereof as outlined in the following points.
31. I have lived a productive and eventful life, now in anticipation of the end and YHWH's mercy and grace. Undoubtedly the singularly most horrific moment of that life was the conviction to repudiate my Citizenship of the "*UNITED STATES*". Those words, "*REPUDIATE MY CITIZENSHIP,*" crushed the very soul within me. I pledged allegiance to the war flag my entire life, not even knowing the existence of the civil flag of peace until recently.
32. I believe our educational system has become a tool for political propaganda and satanic demoralization of society. Our precious children are taught only what the standardized fraud of government wants known and complete indoctrination into socialism and communism is the result. I do not consent to socialistic or communistic forms of government.
33. My knowledge of the betrayal by my own government, of which I was once so proud, is an unbearable sorrow that I must now carry to my grave; but I shall do so as a free Man.
34. Perhaps the American people are like the frog that is heated slowly to a boil in a pot of water. If we had detected the heat sooner, we could have jumped out, saving both the Republic and ourselves.
35. My fathers and grandfathers were patriotic and "trusted" the government. However, they were not as vigilant as they were instructed to be by Thomas Jefferson. I have been awakened to the cataclysmic reality of a Fascist, one-world government, having replaced our intended Constitutional Republican Government.

ARTICLE I

36. The Declaration of Independence for the united states of America clearly outlined the necessary course each citizen must take when his government became insufferable. Over the past one hundred years, nearly all our unalienable rights have been stripped from us through the deceit, for-profit-schemes, sophistry and obfuscation of the Courts and blood-thirsty lust of the Congress for spending debt-based money borne on the back of the American people. What they have done is egregious, but as the Declaration of Independence points out, “.. *all experience hath shown that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed.*” By sufferable, I believe they meant survivable.
37. That same Declaration also declared: “*We hold these Truths to be self evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or abolish it...*”
38. Since 1861, we have been under Martial Rule, and the 41st congress adjourned Sine Die it has operated as De Facto as a fake-government.
39. Since 1871, the united states of America, became The United States of America Corporation, without disclosure of the facts and without the vote of the people, the 14th Amendment and the re-defining of the word “*Person*” all were made US Citizens (slaves by contract) without disclosure of what that meant, made all “*Persons*” Slaves and “*residents*” of Washington D.C. I am offended by the slave-system created to harm me and my friends and family. I DO NOT consent to be a slave of any man.
40. Since 1911, the Federal Reserve Act has given our currency to a Private, mostly foreign-owned and controlled Corporation.
41. Since 1933, beginning with the confiscation of our Gold and Allodial property, rather than “*secure*” our Right to Life, Liberty and the Pursuit of Happiness, our government has persistently and systematically reduced our standard of living. But this Evil seemed

survivable, so our fore-fathers just suffered and let it pass, without fully realizing the fraud of slavery forced upon.

42. Since 1871, our government has refused to “*secure*” our Right to Life, Land or Liberty by persistently increasing our burden by regulations, prohibitions, legalized abortion and unlawful taxes forced upon us at gun-point. The governing officials having limited powers, have abused that limited power by acting under color of law and have bastardized our Judicial System attempting to usurp our constitution with statutory law (corporate by-laws), and under such pretense replaced the Common Law protections with the severe and brutal Admiralty jurisdictions, pretending our Constitution offers no protection from their abuse of power (not granted by the people), even though our true Constitution was intended to be the Supreme law of the land see USC Article VI (the supreme law of the land). They have lied and withheld the truth about the jury’s power to judge the law and the facts and rearranging our jury system into a prosecutor's tool to go after targeted followers of YHWH and we have no protection from over-zealous prosecutors, that prosecute innocent people, trial by juries are denied to we the people, jury nullification has been denied to us. I do NOT consent.
43. The governing officials have increased our prison population to 2.3+ million inmates and these numbers increase daily, due to the for-profit prison system. The for-profit prisons have created our Nation’s largest racketeering scheme to create commerce by imprisonment of its people, our Nation-States are worse than any country in the world.
44. There are plans for new prison construction for the new millennium, projecting twenty years in advance and building cells for our unborn children, as though all, or most of our offspring will be criminals. This reality alone reduces the expression, “*The Land of the Free and home of the brave*” to mere illusion and an oxymoron. I do NOT consent to this unconscionable mafia, Racketeering behavior.
45. The governing officials acting under color of law and avoid the constitution requiring them to protect the people, but instead, they imprison humans for profit, deny bail without an adjudicated criminal acts merely to make unlawful profits. No victim No crime! And a corporation of any sort (whether it is The UNITED STATES, THE STATE of TEXAS, Burger King or Taco Bell), has NO living soul to be harmed. The “*Patriot Act*” causes US Citizens to be held without due process and without a jury of their peers (as defined by Black’s Law Dictionary), denies adequate defense, or grant the benefit of witnesses or Brady

evidence at the whim of corrupt judges profiteering from the war-crimes they commit, compelled by actors of the court, acting in unified agreement with members of the Bar Association (is a foreign CORPORATION).

46. The BAR members sit in a fake court and send innocent men and women under the protection of "government" to prison, by these actors (operating a NEW JACK CITY scam of Racketeering and Securities fraud) even though there was no victim and no harm to another living soul, or property. I do NOT consent to this unconscionable behavior.
47. The governing officials (operating under the UNITED STATES COPORATE umbrella) unlawfully tax the poor with no regard to destruction of lives of the men and women. The profits of the bonds, creates this racketeering incentive for unlawful profits (proofed by SF24, SF25, SF25a, and others). The courts collect TRILLIONS of dollars from (the people's trust, unknown to the people) and judges and prosecutors receive "net retention's" (commissions) as incentives for fake-convictions. This is a system of fraud designed to destroy real justice, destroy our nation and rip our lives apart and cause complete genocide and treason. I do NOT consent to this un-American and unconscionable behavior!!!
48. The Governing officials engage in child kidnapping and child/human trafficking by using government agencies such as CPS, CSD, or DHR, Health and Human Services has committed genocide and war crimes against the people in *for-profit* workers racketeering schemes with the courts to seize and sell children (Attorneys and Judges) and "Houses" and create illegal profit from their unconscionable acts against citizens and taxpayers. I do not consent to this unconscionable behavior!!!

***I rely on the case citations in the following points to be accurate and true.**

49. The individual Rights guaranteed by our Constitution cannot be compromised or ignored by our government. For example, in *United States v. Johnson*, 76 F. Supp. 538, 539 (D. Pa. 1947), Federal District Court Judge James Alger Fee ruled that: "*The privilege against self-incrimination is neither accorded to the passive resistant, nor to the person who is ignorant of his rights, nor to one indifferent thereto. It is a FIGHTING clause. Its benefits can be retained only by sustained COMBAT. It cannot be claimed by attorney or solicitor. It is valid only when insisted upon by a BELLIGERENT claimant in person.*"

McAlister vs. Henkel, 201 U.S. 90, 26 S.Ct. 385, 50 L.Ed. 671; *Commonwealth vs. Shaw*, 4 Cush. 594, 50 Am.Dec. 813; *Orum vs. State*, 38 Oklahoma, or Texas App. 171, 175 N.E. 876. *The one who is persuaded by honeyed words or moral suasion to testify or produce documents rather than make a last-ditch stand, simply loses the protection. . . He must refuse to answer or produce, and test the matter in contempt proceedings, or by habeas corpus.*" [Emphasis added.]

Notice the verdict's confrontational language: "*fighting*", "*combat*", and most surprising, "*belligerent*". This Federal Court condemn citizens for being "*passive*" or "*ignorant*" "*belligerent*" for not protecting 5th Amendment protections against self-incrimination as sworn and required to do see USC Article VI (our Nations judges are duty-bound to protect our YHWH-given liberty).

ARTICLE II

50. Presently, the United States government not only refuses to "*secure*" our Right to Life; it openly seeks to diminish and eliminate that right, and profits from harming we the people created by YHWH. This has happened through the UN (a for-profit, New World Order Corporation), IMF, CFR, World Bank, NAFTA, GATT, the criminal BAR Association, and every whore, coward and traitor elected or appointed to American public office that voted in favor of those dastardly Treaties. Our government's evils are no longer authorized by "*We the people*". I do not consent!!!
51. The La Paz portion of the NAFTA agreement provides for the forfeiture of a thirty-mile-wide strip of American soil to a foreign power (the UN) across the entire 1,935 miles of border between Mexico and the U.S.A. Roughly sixty thousand square miles of American soil was surrendered without a single shot being fired, We the People never authorized this outrageous treasonous behavior.
52. This free land give-away is more than Rhode Island, Delaware, Connecticut, New Jersey, Oklahoma, or Texas, Vermont, Massachusetts, and Hawaii combined, constituting the single greatest act of treason in the history of this nation. There is no provision in the Constitution (No power given by We the People) for Congress, the President, or the Courts to surrender

any portion of our national sovereignty to any foreign government. I do NOT consent to their treasonous acts!!!

53. There is no provision in any State constitution for those States along the Mexican border to surrender any portion of our State sovereignty to a foreign power. Those legislators who swore to uphold the national Constitution have violated their oath to YHWH and the American people's trust, thus their acts are void, done without jurisdiction.
54. Our incumbent politicians are guilty of treason and should so be accused and tried. Article 3, Section 3, Clause 1, of the U.S. Constitution, "*Treason against the United States shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort.*" I do NOT consent!!!
55. The justification for surrendering our sovereignty to the UNITED NATIONS Corporation (New World Order) is found in their ecological argument which is: "*The Earth is overpopulated, and its resources are inadequate to support our species. The human population must be reduced by at least half if our species are to survive.*" This is the NWO genocide plan to destroy human life. The world is *not* on the threshold of a life-or-death battle over scarce resources. I do NOT consent!!!
56. If the world is on the threshold of a life-or-death Malthusian battle over scarce resources, what more "aid and comfort" could this government possibly provide to a foreign people or power than to voluntarily surrender our nuclear technology to China for political campaign contributions – the surrender of our land and sovereignty to the UN, as well as our very lives, so that some foreign competitors, our mortal enemies, might survive.
57. Will the American People just sit back like the frog and let the water boil, letting this government sacrifice their children's lives and futures to benefit some foreign slaves or aborigines? I don't think so, and I for one, in the capacity of a Citizen, want no part of this moronic agenda with that insane policy.

ARTICLE III

58. I believe the United States of America Constitution is a compact or contract between the Federal government and the "States" of the Union. It protects the rights of the people's fundamental liberty and principles to governing officials because the STATE is a continual source of corruptive power and ultimate tyranny.

59. I believe the Federal government's responsibilities were confined to a few enumerated powers, involving mainly national security and public safety. In the realm of domestic affairs, the founders sought to guarantee that federal interference in the daily lives of citizens would be strictly limited. They wanted to ensure government would have a minimal role in the domestic economy and that it would be financed and delivered at the state and local levels, not by a Central Banking System, as is the Federal Reserve Bank, Inc., or any other private for-profit corporations.
60. I believe in Article I, Section 8, of the Constitution, the enumerated powers of the federal government to spend money are defined as Enumerated Powers (18 services under contract) with one more additional service located in the preamble that the States people agreed to fund. These powers include the right to establish Post Offices, post roads, raise and support Armies, provide and maintain a Navy, declare War..." and to conduct a few other activities related mostly to national defense. No matter how long one may search, it is impossible to find in the Constitution any language that authorizes the vast majority of the civilian programs Congress crams into the federal budget every day of every year. The expansions of power, beyond what's constitutionally granted. I do NOT consent!!!
61. The federal government has no authority to pay money to farmers, run the health care industry, impose wage and price controls, or give welfare to the poor and unemployed. They have no authority to provide job training, subsidize electricity or telephone service, lend money to businesses and foreign governments, or build parking garages, tennis courts, and swimming pools. These acts are unconstitutional. I do NOT consent!!!
62. The Founders did not create a Department of Commerce, a Department of Education, a Department of Housing and Urban Development, Bureau of Land Management, and other agencies pretending to be government, I do NOT consent!!!
63. The Federal Bureau of Investigation which has no congressional charter to exist. Congress is forbidden by the Constitution to establish any such agencies, yet they operate on our Nations soil to cover-up the crimes of the deep-State. I do NOT consent!!!
64. The Tenth Amendment to the Constitution states clearly: *"The powers not delegated to the United States by the Constitution ... are reserved to the States respectively, or to the people."* If the Constitution does not specifically permit the federal government to do something, then it does NOT have the authority to do it.

65. The 14th Amendment enslaves us albeit voluntary, but without full and proper disclosure, it is fraud. I do NOT consent!!!

ARTICLE IV

66. The Bill of Rights clearly defines most often “government” abused individual liberties. It forbids the Federal Government to violate any of these unalienable rights of the people and reserves all other rights of a sovereign not delegated to the United States, to the States: the STATES’ authority and sovereign rights would be determined by the people in their individual state Constitutions. The sovereign rights of we the people are not delegated to the Federal or State civil servants, but rather, remains with the people.
67. On April 19th, 1993, in Waco, Texas, the United States (Corporation) showed its utter contempt for the unalienable Rights of its Citizens and the Sovereigns of its creation. Eighty-six men, women and children were murdered by Agents of the FBI and BATF, with the sanction of the Executive Branch of that government. An internal (NOT independent) investigation by the Department of Justice determined that the agents of the government perpetrated “no criminal acts.” The majority of this nation’s population knows it was murder committed by government agencies. I can no longer abide in this government’s unlawful conduct and moral bankruptcy. I will not accept such debased behavior. I do NOT consent!!!
68. In 2014, a government official preplanned ambush, incarcerated the innocent, burned homes and land, seized and slaughtered cattle and murdered an innocent man defending his rights at the Bundy Ranch in Nevada. Militarized agents with no de jure authority terrorized innocent ranchers and their families for a supposed breach of contract (regarding disputed land lease). I do NOT consent!!!
69. January 2016, in Oregon, the FBI Hostage Rescue Team (HRT), Oregon State police, with the consent of Governor K. Brown, Senators R. Wyden, and J. Merkley, A.G. Loreta Lynch, and more than likely predecessor J Kerry, and possibly the White House itself, used a military coup to **murder** a father, husband, and rancher Lavoy Finnicum a righteous, peaceful and gentle man in a peaceful protest, indirectly resulting in deaths of three nurses, and Blake Paine. In contrast government officials ignore groups such as “Black Lives Matter” and “Antifa”, protestors nationwide which endorse chaos and create civil unrest

purposefully. Government officials have endorsed their own created home-grown terror organizations. I do NOT consent!!!

ARTICLE V

70. I am not anti-government, anti-military, or anti-American. Quite the contrary, at all times I have been ready to defend our Constitution against enemies, foreign and domestic. I never imagined there were any real “*domestic enemies*”. Today, I know otherwise. The following is a partial example of the activities of those “*domestic enemies*.”
71. In 1997, *The Pittsburgh Post-Gazette* exposed the “*Tuskegee Experiment*.” It was conducted from 1932 to 1972 (40 years). According to the Associated Press, “*The government withheld treatment from 399 black men with syphilis so they could study how it spreads and kills.*” I do NOT consent!!!
72. That is not an “*experiment*,” that is genocide. Whether it happens to black men, Eskimos, Hispanics, Asian, or Caucasian people, it is wrong and violates everything this country stands for. President Clinton publicly apologized on behalf of this government to the aging male survivors. This incident was NOT just the 399 men who were damaged. Their spouses also got the disease, causing their children to be born deformed. All told, 6,000 Americans were sickened, deformed or killed as a result of The UNITED STATES Government’s “*Tuskegee experiment*” to study how syphilis kills. President Clinton did not bother to acknowledge their suffering. It follows that we can legitimately ask how much of the syphilis we have today is a direct result of conducting the *Tuskegee experiment* for forty years when they could have stopped it? Human experiments are forbidden under the Nuremberg Code see 18 USC 1091, yet the actions of human experiments to harm the people of our Nation rage on. I do NOT consent!!!
73. In 1977 during the Senatorial Select Committee on Intelligence hearings (*reported in “Project MK-Ultra; the CIA’s Program of Research in Behavior Modification”*), the CIA revealed that over forty universities and institutions were involved in extensive testing and experimentation using covert drugs on unwitting citizens at all social levels. In 1977, the University of Maryland newspaper reported that during the 1950s and 1960s, forty-four colleges, fifteen research foundations, twelve hospitals, and three prisons knowingly

- participated in MK Ultra experiments. These people were subject to experimental tests but never informed or asked to consent to be “*guinea pigs*.” I do NOT consent!!!
74. More specifically, “*MK Naomi*” – a biological project from the 1950s through 1969 which exposed six entire towns (including Ft. McClellan, Alabama; San Francisco, California; Ft. Wayne, Indiana; Minneapolis, Minnesota; and St. Louis, Missouri) to biological warfare. Agents dropped out of aircraft to see how many people would become ill. MK Naomi ended in 1969, yet the effects are ongoing. I do NOT consent!!!
75. Project MK Ultra was one of the biggest military experiments (there were one hundred forty-nine sub-projects) and lasted for years. It included human drug and biological testing by the Department of Defense (DOD) under the direction of the CIA over entire American communities. The Bureau of Narcotics and even the IRS participated in MK Ultra. When reading these government documents, they are more frightening than the rumors because our government admits to participating in these experiments. I do NOT consent!!!
76. I believe the “*MK ULTRA*” was funded with CIA money through the Geschicter Foundation at Georgetown University. In the 1977 congressional hearing, Dr. Geschicter testified that during the Vietnamese War, the CIA did not know if various Vietnamese nationals were double agents. Therefore, the CIA included a material in the anti-cholera vaccine given to pro-American Vietnamese, which made them glow when they were exposed to an ultraviolet light and helped identify those who rejoined the Viet Cong. This may be a clever wartime strategy, but it illustrates that as early as the 1960s, our government used vaccinations for purposes other than the prevention of disease. MK Ultra, considered various means of controlling human behavior, was literally a mind control project. I do NOT consent!!!
77. In 1950, the UNITED STATES government released bacteria “*serratia marcesens*” – that cause pneumonia and urinary tract infections into the San Francisco Bay. The bacteria were “*aerosolized*” by the surf and blown inland to study how effective an offensive biological weapon would be against the people of San Francisco. According to the report, it blew fifty miles inland. People died as a result of that experiment. Incidentally, the amount of “*serratia marcesens*” remaining in San Francisco is three times the national average. I question how much of today’s other diseases are a result of government “*experiments*.” I do NOT consent!!!

78. At the U.S. Army Biological Weapons Research facility at Fort Dietrich, Maryland, “*weaponized*” mosquitoes were developed. Viruses were grown and placed inside mosquitoes and released from aircraft over American communities which infected people. People were intentionally infected to learn how far the disease went and how far it would spread. I question how many of today’s diseases are direct results of those experiments. I do NOT consent!!!
79. Another experiment was done in 1966 at Kessler Air Force Base, where 12,000 recruits at Kessler received the “*micro plasma vaccine.*” I do NOT consent!!!
80. The 1977 Senate Hearing report (Biological Testing Involving Human Subjects by the Department of Defense) says that unwitting American people were involved in open air testing. It says, “*The Army was using live organisms which we know can infect human beings*”. The Food and Drug Administration allowed it; entire cities were involved in the testing of these biological agents. I do NOT consent!!!
81. Our government even placed biological warfare agents in the New York City subway to see how many people would be infected. They also did this in Pennsylvania’s Kittatinny and Tuscarora turnpike tunnels. Unsuspecting individuals would receive aerosolized bacteriological agents while traveling on these two roads. I do NOT consent!!!
82. On page 160 of the 1977 “*Human Drug Testing by the CIA*”, Senate report (S.1893), they discussed “EA3167” – a compound they could casually “rub” against you, it would absorb in through your skin and kill you. They tested it in Pennsylvania and Kentucky prisons. It was applied to the skin through some type of adhesive tape. They also did this on military and civilian people *without* telling them what they were exposed to or getting their informed consent. I do NOT consent!!!
83. In February 1998, the primary excuse for nearly going to war again with Iraq was the suspicion that Iraq had been conducting biological experiments on its own prisoners. If those experiments are evil for Iraq, then logic would dictate they would also be immoral or unethical in the United States of America. I do NOT consent!!!
84. In 1997 Congressional hearings, the Army admitted conducting these experiments but argued, “*We just didn’t tell you about it because nobody was hurt and there was no problem.*” I do NOT consent!!!

85. Title 50, Chapter 32, Section 1520, permits the government to experiment on us with biological and chemical agents. Due to the treacherous and treasonous Congress, it is now legal for the DOD (and/or their contractors) to experiment with biological and chemical agents on the American people. The only proviso Congress imposes on them is that *at least two unspecified local officials* be notified within the subject community (meter reader, garbage collector?). Once that “major” communication event occurs, the test can begin within 30 days, but we, nor our families are told. I do NOT consent!!!
86. Through government oversight and regulations, experiments are done with our reproductive systems. Grocery store food is laced with pesticides, herbicides, RBST, GMO’s, Fluoride and Estrogen. Sterilization agent coatings are laced on the inside of nearly every can of common everyday foods. Men often need Viagra medication to “perform” sexually with their wives. The reason we have a much higher percentage of unmanly men, and manly women is evident. Harm is done with Pharmaceutical Drugs, Vaccines, and Heavy Metals. All these things change our very Gnomes. Our DNA. I do NOT consent!!!
87. Today we are poisoned by our spraying of our air, food, water, doctor’s dealing legal death drugs, all at the endorsement of our fake government. Despicable! Shame on you. I do NOT consent!!!
88. The New World Order Globalist planned and executed a scheme to depopulate the world with the use of a bioweapon using a manmade coronavirus called SARS-CoV-2. They used the mainstream media, commercial advertisements, fearmongering propaganda from the medical community, along with a bombardment of disinformation to persuade and convince the world to get injected with a shot known as the “covid shot”. The ingredients of the “vaccine” is not made known to the general public, there has not been any long-term studies to determine the long-lasting side effects from taking the “jab”, and many doctors and scientists have testified of the dangers that exist for those that have taken the shot with a shorten lifespan being one of the major side-effects. I do NOT consent!!!
89. This is but a few of the many reasons I, as a YHWH-fearing Living Soul must sever my relationship with the UNITED STATES (Corporation) government, to ease the heavy burden on my soul these foul deeds have my heart carry a heavy burden for my fellow mankind. The water has gotten far too hot for this frog/me and is evaporating under the boil. *“And after these things I saw another angel come down from heaven, having great power; and the earth*

*was lightened with his glory. And he cried mightily with a strong voice, saying, 'Babylon the great is fallen, is fallen, and is become **the habitation of devils**, and the hold of **every foul spirit**, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. 'And I heard another voice from heaven, saying, 'Come out of her, my people, that ye be not partakers of her sins, and that ye receive not her plagues. For her sins have reached unto heaven, and YHWH hath remembered her iniquities.'"* Revelation 18:1-5.

90. I am one of YHWH's people, His precious Son I must now also leave Babylon the Great and not partake of her sins any longer, "*lest I receive her plagues, for her sins have reached unto Heaven, and YHWH will remember her iniquities.*" May YHWH have mercy on the people of the United States/UNITED STATES Corporation.

ARTICLE VI

Unlawful Conversion

91. I fear how much has been done to us by our "*Public Servants*".... conscription (compulsory enlistment for State service), inland piracy, racketeering, kidnapping, press-ganging, enslavement, fraud, barratry, false presumption, false arrests, false imprisonment, deliberate mischaracterization, plundering, pillaging, unauthorized hypothecation of debt, conspiracy to defraud, conspiracy against the Constitution, invasion, trespassing, copyright infringement, trademark violations, identity theft, grand theft and larceny, deprivation of my rights These unlawful acts of conversion all lead down the same roads to enslave me and involuntary servitude of my fellow mankind. I do NOT consent!!!
92. I believe the unlawful conversion of our identities and our assets has been the entire aim of the Territorial United States/Municipal United States Tag Team. We have had the British Enemy pretending to be our friend on one side, and Vatican co-conspirators on the other, acting in unified agreement together against us and against virtually everyone else's lawful government, too, because the same evils have been visited on several other countries including most of Europe, Australia, New Zealand, Japan, India, Canada, Mexico, etc.

I believe the following to be examples of such unlawful conversions:

Unlawful conversion of our Trade Names redefining them as Foreign Situs Trusts.

Unlawful conversion of our American state national standing to that of mere corporate US "citizens".

Unlawful conversion of our land patents to titles and leases held under color of law.

Unlawful conversion of our private property to public assets.

Unlawful conversion of our government on the land to a government on the sea.

Unlawful conversion of the copyrights and trademarks we are owed.

Unlawful conversion of our private bank accounts to public "*personal*" accounts.

Unlawful conversion of our States to "*State of States*" and "*STATE OF STATES*".

Unlawful conversion of our public courts to private corporate tribunals.

Unlawful conversion of private civilian assets to public trust assets.

Unlawful conversion of American Common Law to English Common Law.

Unlawful conversion of public records to private registrations.

Unlawful conversion of our right to elect to mere voting privileges.

93. I believe the sly, secretive crime spree across the globe is staggering, especially when I consider that it has all taken place under a lie, a banner of freedom and progress---- while in fact delivering a form of modern feudalism.

94. I question how long before the police forces and military wake up and do their jobs and prosecute the actual criminals and how long before the government politicians responsible for their unlawful conduct and are forced to correct their behavior.

ARTICLE VII

95. The IRS and their agents are a private corporation and NOT a branch of the United States government. Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources of the United Nations (U.N.) and the Commissioner (International), by the office of Personnel Management. I do NOT consent!!!
96. In the 1979 edition of 22 USCA 278, *"The United Nations,"* you will find Executive Order 10422. The Office of Personnel Management is under the direction of the Secretary of the United Nations. Pursuant to Treasury Delegation Order No. 91, the IRS entered a *"Service Agreement"* with the US Treasury Dept (See Public Law 94-564, Legislative History, pg.5967, Reorganization (BANKRUPTCY!!!) Plan No. 26) and the Agency for International Development. I do NOT consent!!!
97. This agency is an international paramilitary operation and according to the Dept of the Army Field manual (1969) 41-10, pgs 1-4, Sec. 1-7(b) & 1-6, Sec. 1-10 (7) (c) (1), and 22 USCA 284, includes such activities as, *"Assumption of Full or partial executive, legislative, and judicial authority over a country or area."* The IRS is an agency/member of a 169 Nation pact called the International Criminal Police organization, or INTERPOL, found at 22 USCA 263a. The memorandum of Understanding (MOU), between the Secretary of Treasury, AKA the corporate governor of *"The Fund"* and *"The Bank"* (International Monetary Fund, and the International Bank of for reconstruction and Development), indicated that the Attorney General and its associates are soliciting and collecting information for foreign principles; the international organizations, corporations, and associations, exemplified by 22 USCA 286f. I do NOT consent!!!
98. According to page 390 of the 1994 US Government Manual, the Attorney General is the permanent representative to INTERPOL, and the Secretary of Treasury is the alternate member. Under Article 30 of the INTERPOL constitution, these individuals must expatriate

"their citizenship". They serve no allegiance to the United States of America, thus unfit to serve the American people. I do NOT consent!!!

99. The IRS is paid by *"The Fund"* and *"The Bank"*. Thus, it appears from the documentary evidence that the Internal Revenue Service agents are *"Agents of a Foreign Principle"* within the meaning and intent of the *"Foreign Agents Registration Act of 1938"* for private, not public, gain. I do NOT consent!!!

100. Further the IRS is directed and controlled by the corporate Governor of *"The Fund"* and *"The Bank"*. The Federal Reserve Bank and the IRS collection agency are both privately owned and operated under private statutes. The IRS operates under public policy, not the Constitutional Law, and in the interest of our nation's foreign creditors. I do NOT consent!!!

101. The Constitution only permits Congress to lay and collect taxes. It does not authorize Congress to delegate the tax collection power to private corporations, which collects our taxes for a private bank (the Federal Reserve), who then deposits it into the Treasury of the IMF (a foreign for-profit banking cartel). The IRS is not allowed to state that they collect taxes for the United States Treasury. They only refer to *"The Treasury."* I do NOT consent!!!

14th CONGRESS Sess. IL Ch 248, 249 1868

102. A. *"Whereas the right of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of Life, Liberty, and the pursuit of happiness; and whereas in the recognition of this principle this government has freely received emigrants from all nations and invested them with the rights of citizenship; and whereas it is claimed that such American citizens, with their descendants, are subjects of **foreign states**, owing allegiance to the governments thereof; and whereas it is necessary to the maintenance of the public peace that this claim of foreign allegiance should be promptly and finally disavowed: Therefore, Be it enacted by the Senate and House of Representatives by the United States of America in Congress assembled, that any declaration instruction, opinion, order, or decision, of any officers of this government which denies, restricts, impairs, or questions the right of expatriation is hereby declared inconsistent with the fundamental principles of this government."*

B. *"And be it further enacted that all naturalized citizens of the United States, while in foreign States, shall be entitled to, and shall receive from this government, the same*

protection of persons and property that is accorded to Native-born citizens in like situations and circumstances.”

C. *“And be it further enacted, that whenever it shall be made known to the President that any citizen of the United States has been unjustly deprived of his liberty by or under the authority of any foreign government, it shall be the duty of the President forthwith to demand of that government the reasons for such imprisonment, and if it appears to be wrongful and in violation of the rights of American citizenship, the President shall forthwith demand the release of such citizen and if the release so demanded is unreasonably delayed or refused, it shall be the duty of the President to use such means, not amounting to acts of war, as he may think necessary and proper to obtain and effectuate such release, and all facts and proceedings relative thereto shall as soon practical be communicated by the President to Congress.*

8 USC 1101 (a) 21

103. United States code annotated proclaims *“the natural and inherent right of the people to expatriate themselves and that “any declaration, instruction, opinion, order, or decision, of any officers of this government which denies, restricts, impairs, or questions the right of expatriation is hereby declared inconsistent with the fundamental principles of the Republic.””*
104. I believe Definitions are all important in the reading of any legal writing. The definition most important in the above statute is the words *“foreign states.”* A look at some other statutes, Supreme Court decisions, and early dictionary definitions is as follows: The Constitution was made for States, (not territories) wrote Daniel Webster. *“[T]he Constitution of the United States as such does not under it extend beyond the limits of the States which are united by and under it,”* wrote author Langdell in *“The Status of Our New Territories,”* 12 Harvard Law Review 365, 371.
105. Judicial note should be taken that the United States Constitution always denoted *“Citizen”* and *“Person”* in capital letters prior to the 14th Amendment; thereafter, *“citizen”* and *“person”* were not capitalized. The distinction between *“citizens of the United States”* and *“Union States Citizens”* has been fully recognized by the Congress and the Courts as follows: *“We have in our political system a government of the United States and a*

government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own who owe it allegiance, and whose rights, within its jurisdiction, it must protect."^a [Emphasis added]. The Federal Government is a "state".

106. "A Foreign State: a foreign country or nation. The several United States are considered "foreign" to each other except as regards their relations as common members of the Union". (Black's Law Dictionary, Sixth Edition, page 1407)

107. Congress identifies these citizens of the "District" as "individuals" or citizens who reside in the "United States" and who are subject to the direct control of Congress in its local taxing and other municipal laws. There are two types of Citizens: Citizens of the Union States, which have the right of suffrage (right to vote).

108. While in contrast, *District citizens* have NO such right. I question if I am not a United States citizen of Washington, D.C., or the territories and possessions. What am I in relation to the federal government? ANSWER: I am a NON-RESIDENT ALIEN, or more appropriately known as an... "*American State National*."

American State National

109. The term "American State National" may appear to describe your relationship to the federal government. However, both the Federal Income Tax Law and the Supreme Court enlighten greater understanding of the term. The revenue laws do not use the term "*sovereign citizen*." Those laws refer to United States Persons, Resident Aliens and *Nonresident Aliens*. United States persons are defined to include citizens and residents (i.e.: resident aliens) of the United States.

Treasury Decision (TD) 2313

110. The *Brushaber v. Union Pacific Railroad Co. Inc. 240 U.S. 1 (1916)* is often cited by the IRS as demonstrating its authority to collect income tax and that the income tax is constitutional (limited application). What the IRS fails to mention, and what is not apparent from looking at the court's ruling, is that the case concerned income from within the United States accruing to a nonresident alien, which is subject to the federal income tax because it involved a trade/business with a federally-chartered corporation.

Treasury Decision 2313 in elaborating on the case makes this apparent:

111. The decision of the Supreme Court of the United States in *Brushaber v. Union Pacific Railway Co.*, 240 U.S. 1 (1916), is hereby held that income accruing to **nonresident aliens** in the form of interest from the bonds and dividends on the stock of domestic corporations is subject to the income tax imposed by the act of October 3, 1913." (Treasury Decision 2313).
112. My belief is based upon the decision of the Supreme Court in a lawsuit brought by a citizen of New York, living in Brooklyn, against the *Union Pacific Railway Co.*, a federally-chartered corporation. The purpose of the suit was to prevent the railway company from withholding the 1% tax from the dividends payable to the New Yorker. The state citizen lost that case. In reliance upon that decision, the Treasury Department referred to the *New Yorker* as a **nonresident alien** who, as such, was not exempt from the withholding of taxes from dividends payable by a domestic corporation (i.e., chartered by the federal government). The fact that Treasury Decision 2313 called Mr. Brushaber a *nonresident alien* is proof that *citizens of states* are "*nonresident aliens*" for all purposes of the Code. If this is true, then a corporation chartered in a state is "*foreign*", while only federally-chartered corporations can be domestic. Meaning, anything done in a state is done without the *United States*.
113. The Treasury Department confirmed their analysis of the *Brushaber case* on the status of a *sovereign* as being a **nonresident alien** for revenue purposes.
114. A nonresident alien is anyone who is neither a citizen, nor a resident (alien) of the United States. Since the *sovereign* is NOT a "*citizen of the United States*" under the Code (by virtue of the definition in the regulations), and since I do not fit the definition of a resident *alien*.
115. The term "*alien*" must apply to the *sovereign* because I am *alien* to the status of subject citizen and do not fit the special definition of *resident* found in the 14th Amendment. It may also be said that, since the *sovereign* person does not live within the political jurisdiction of the United States, he is *nonresident* thereto. Thus, I can be *nonresident* to the place, as well as *nonresident alien* to the status of *subject citizen*.
116. I believe under the language of the Code, as interpreted by the tax regulations, the *sovereign* may be liable for the tax applicable to the *nonresident alien*. The Code subjects *nonresident aliens* to taxes upon income which is received either from a trade or business "*effectively connected with the United States*," or from a source "*within*" the United States. It refers to the fifty states, just as did TD 2313.

117. As to taxability of *nonresident alien* income, in order for such income of the *nonresident alien* to be taxable, it will have to emanate from sources within sovereign federal areas or from an activity that is effectively connected with the political jurisdiction of the United States by reason of the ATF laws, patents, copyrights, federally-created entities, etc. If it emanates from any of the fifty states and is not “*connected*” with those federally-controlled activities, such income is not taxable to the *sovereign*. Once again, the problem is to find a court that will apply this truth. To do this, one must show to the court that an activity in one of the fifty states is “*without*” the United States.
118. Point to the return of service which states that it is signed “*under penalties of perjury pursuant to the laws of the United States of America*” then attach it to a motion which cites 28 USC §1746 (1). This statute defines that form of verification is applicable only “*without*” the United States. Also citing 28 USC §297, shows that the fifty “*freely associated compact states*” are referred to as “*countries*.”
119. Combined with the *Brushaber case* and TD 2313, the court can NOT properly deny that income from within the fifty states is without the United States.
120. Since I have always been a *non-resident alien* of the United States, also known as an *American State National*, the tyranny causes me to prove it with rebuttal evidence.
121. I demand this affidavit be certified by the Secretary of State, as evidence of my Status as an American State National and a passport correction is made to reflect such status and jurisdictional venue and returned to me. I have renounced my citizenship due to the acts of genocide committed by the United States against their own people as cited above, and not to be misconstrued as an act of war against the United States.

State citizenship case law

***I rely on the case citations in the following points to be accurate and true:**

"The term resident and citizen of the United States is distinguished from a Citizen of one of the several states, in that the former is a special class of citizen created by Congress", see U.S. v. Anthony 24 Fed.829 (1873).

"The term 'citizen' in the United States, is analogous to the term 'subject' in common law; the change of phrase has resulted from the change in government", *State v. Manuel*, 20 NC 122.

"The privileges and immunities clause of the 14th Amendment protects very few rights because it neither incorporates the Bill of Rights, nor protects all rights of individual citizens. Instead, this provision protects only those rights peculiar to being a citizen of the federal government; it does not protect those rights which relate to **state citizenship**." *Supreme Court: Jones v. Temmer*, 89 F. Supp 1226:

"The only absolute and unqualified right of a United States citizen is to residence within the territorial boundaries of the United States," *Supreme Court: US vs. Valentine* 288 F. Supp. 957.

The Amendment (14th) recognized that "an individual can be a Citizen of one of the several states without being a citizen of the United States," (*U.S. v. Anthony*, 24 Fed. Cas. 829, 830) or "a citizen of the United States without being a **Citizen of a state**." (*Slaughter-House Cases*, supra; cf. *U.S. v. Cruikshank*, 92 US 542, 549 (1875)).

"Both before and after the Fourteenth Amendment to the federal Constitution, it has not been necessary for a person to be a citizen of the United States in order to be a citizen of his state."

"Unless the defendant can prove he is not a citizen of the United States, the IRS has the right to inquire and determine a tax liability." U.S. v. Slater, 545 Fed. Supp. 179,182 (1982). Note: The courts presume defendants to be a federal citizen, without even saying that there are different classes of citizens. It is up to defendant to dispute this.

"There are, then, under our republican form of government, two classes of citizens, one of the United States and one of the state". Gardina v. Board of Registrars of Jefferson County, 160 Ala. 155; 48 So. 788 (1909)

"...the first eight amendments have uniformly been held not to be protected from state action by the privilege and immunities clause [of the 14th Amendment]." Hague v. CIO, 307 US 496, 520

"The right to trial by jury in civil cases, guaranteed by the 7th Amendment...and the right to bear arms guaranteed by the 2nd Amendment...have been distinctly held not to be privileges and immunities of citizens of the United States guaranteed by the 14th Amendment...and in effect the same decision was made in respect of the guarantee against prosecution, except by indictment of a grand jury, contained in the 5th Amendment...and in respect of the right to be confronted with witnesses, contained in the 6th Amendment...it was held that the indictment, made indispensable by the 5th Amendment, and trial by jury guaranteed by the 6th Amendment, were not privileges and immunities of citizens of the United States, as those words were used in the 14th Amendment.

We conclude, therefore, that the exemption from compulsory self-incrimination is not a privilege or immunity of National citizenship guaranteed by this clause of the 14th Amendment."

Twining v. New Jersey, 211 US 78, 98-99. The term *State Citizens* on all of the forms for the purpose of constructive fraud. Remember that a *State Citizen* is a not a national of the United States. In contrast, is a national of the United States of *America*. See:

8 USC § 1101(a) (21) The term state "national" means a person owing permanent allegiance to a state. (This is a State Citizen).

The term "national of the United States" means (A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States.

The term "naturalization" means the conferring of nationality of a state upon a person after birth, by any means whatsoever. I believe this reference to be true.

122. There exist mountains of supporting evidence and court decisions regarding my true status. It is preposterous to require anyone to jump over obstacles to expatriate from tyranny. Again, this is one of the most important decisions of my life, so I, do not approach it in a cavalier manner. I asked the good Lord for direction before making that decision.

123. Notice: Taxes are not a consideration, since having taxes as one's motivating reasons makes the attempt a complete failure.

Conclusion of Thoughts

124. On every front, with blinding speed and inexhaustible power, the evil forces of darkness of the New World Order are closing a Ring of Fire on freedom. In every domain and field of human endeavor, the choking and suffocating idolatry permeates all fields of human thought. It corrupts our language, destroys truth and justice. It demolishes integrity and annihilates virtue, enacts totalitarian legislation, and controls education and communications.

125. Above all, the vilest evil is the destruction of our unborn children – a thing so horribly vile. The attack on our faith and its foundations of Biblical thought and experience, demonizing YHWH's followers as religious right-wing zealots to be held in ill repute, ever rapidly expanding its deviancy of evil, closing the parameters on the just, as the UNITED STATES collapses inextricably into Babylon.

126. YHWH save me, but the UNITED STATES government is NO longer tolerable. I can NO longer endure its pernicious and predatory conduct no longer as a citizen of the UNITED STATES (Corporate) fiction. I am a living, flesh, and blood Man created in the image of YHWH.
127. I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme, for the reasons detailed in the foregoing Articles. My birthright now being re-secured as a member of the Sovereign Body of free men and women known as Americans, American State Nationals.
128. I hereby pledge my allegiance only to my YHWH the Creator of Heaven and Earth, see Genesis 1:1, Genesis 1:27, Genesis 2:3-4, Genesis 5:1-2, Deut 4:32, Isaiah 42:5, Psalm 121:2, Ephesians 3:9, and Psalm 33:6.
129. I hereby pledge my allegiance only to my YHWH. I shall live by the commandment of "*Love thy Neighbor*" and shall "*Do no Harm*" in my private pursuit of life, liberty, happiness.
130. America demands no less from me in that freedom has never been free.
131. My love for the people living on the land in the united "*States of America*" has never been stronger. So, help me YHWH; Lord Jesus come quickly! Amen!
132. This NOTICE is from a Man a living soul, sui juris, jus soli (on the land), a private non-citizen, non-resident, non-person, *state national* pursuant to 8 U.S.C. § 1101(a)(21) under Common Law Jurisdiction. "*U.S. adopted common laws of England with the constitution.*" See *Caldwell v. Hill, 178 SE 383 (1934)*.
133. The avoidance of tax is not the purpose of this document and is both voluntary and necessary for the 19 essential governmental services for which the state Nationals (we the people) contracted.
134. As a "*nonresident alien*," my estate and/or trust is, as described in 26 USC 7701 (a)(31), as a TAX-EXEMPT "*foreign estate or trust.*"
135. "*The Tax Code represents the genius of legal fiction...The IRS has never really known why people pay the wages/income tax... The IRS encourages voluntary compliance, through FEAR.*" - from: Jack Warren Wade Jr., former IRS officer in charge of the IRS Nationwide Revenue Officer Training Program, and written in his book, "*When You Owe the IRS.*"
