

Opening Doors. Expanding Futures.

SPONSORSHIP OPPORTUNITIES

ATLAS-Ventura Housing (ATLAS), is the nonprofit arm of Ventura Housing, connecting resources, community partners, and philanthropic support to programs that help residents and their families thrive. Through the **ATLAS Scholarship Program** we expand opportunity through education and provide students with the tools they need to succeed beyond housing stability. Each year, ATLAS proudly recognizes outstanding students from Ventura Housing communities who are pursuing higher education and career advancement. **We invite you to join us as a sponsor of the ATLAS Scholarship Celebration – Opening Doors. Expanding Futures**, being held on Wednesday, June 17th, 5:30 p.m. to 8:00 p.m. (Location to be announced soon!)

Impact of ATLAS Scholarship Program since 2015

Through the **ATLAS Scholarship Program**, Ventura Housing residents pursuing college, vocational training, and continuing education receive financial support to help overcome barriers and achieve their educational goals. **Since the program launched in 2015**, the scholarship program has:

1. Awarded **51 scholarships** to Ventura Housing students
2. Distributed **more than \$92,000** in educational support
3. Helped students pursue degrees and training in fields such as **nursing, engineering, psychology, education, and business**

These scholarships represent more than financial assistance; they are a powerful steppingstone toward opportunity, independence, and long-term success, breaking the cycle of poverty and opening the door to stability. By investing in students today, we are strengthening families, communities, and the future workforce of Ventura County.

What to expect and who will be attending

The **ATLAS Scholarship Celebration** will bring together scholarship recipients, families, community leaders, and supporters to celebrate the achievements of students who are shaping the future of Ventura County. During the event, guests will hear inspiring stories of educational journeys and the personal impact of community support. Sponsors will have the opportunity to be recognized for their commitment to education and community advancement while joining a group of civic leaders, partners, and advocates dedicated to expanding opportunity for Ventura residents.

Become a Sponsor

We would be honored to have your organization join us in supporting the next generation of leaders. Your tax-deductible sponsorship helps ensure students have access to the educational opportunities that will shape their futures. **Please review the sponsorship opportunities on the following page and consider partnering with ATLAS to make a lasting impact in our community.**
