**1** - Plans F and G also have a high-deductible option which require first paying a plan deductible of \$2,800 before the plan begins to pay. Once the plan deductible is met the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare Part B deductible. High deductible plans F and G count your payment of Medicare Part B deductible toward meeting the plan deductible.

**2** - (2024) Plans K and L pay 100% of covered services for the rest of the year once you meet the out-of-pocket yearly limit.

**3** - Plan N pays 100% for the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that don't result in an inpatient admission.
