* On all Medicare-covered expenses, a doctor or other healthcare provider may agree to accept Medicare assignment. This means the patient will not be required to pay any expense in excess of Medicare's approved charge. The patient pays only 20% of the approved charge not covered by Medicare.

** Physicians who do not accept assignment of a Medicare claim are limited as to the amount they can charge for covered services. In 2025 the most a physician can charge for services covered by Medicare is 115% of the approved amount for nonparticipating physicians. *Note: In New York, the most a physician can charge for services covered by Medicare is 105% of the approved amount for nonparticipating physicians. For routine office visits covered by Medicare, a nonparticipating physician can charge up to 115% of the fee schedule amount.*
