We had a recent expense with our North Air Conditioner.
Replacing one compressor and the blower fan cost **\$9,548.**

We will take a second collection **October 11**
to offset this expense.

Recientemente tuvimos un gasto relacionado con nuestro
aire acondicionado del lado norte. El reemplazo de un compresor
y del ventilador del sistema tuvo un costo de **\$9,548.**

Para ayudar a cubrir este gasto, tendremos una
segunda colecta el 11 de octubre.

Thank You

With grateful hearts, we would like to thank everyone who joined us in prayer and celebration during our Novenas, Rosary, and Holy Masses from September 4th through September 14th for the Festa de Nossa Senhora dos Milagres.

Your presence, prayers, faith, and devotion to Our Lady of Miracles made these days truly beautiful and meaningful for our parish community. Together, we were blessed to celebrate our faith, honor Our Blessed Mother, and continue this cherished tradition that brings our community together year after year.

A very special and heartfelt thank you to Fr. Marc Valadao, Junior and Melissa Correia, and the Our Lady of Miracles Celebration Committee for your countless hours of hard work, leadership, dedication, and generous service. Your commitment and love for our parish helped make this celebration a truly memorable one.

We are also deeply grateful to the Portuguese Choir, our Liturgical Ministers and Altar Servers, the Flowers and Decorations Committee, and the families who lovingly care for our saints. Thank you for sharing your time, talents, and gifts in service to God and our community.

And to each and every one of you who came to pray with us, traveled to be here, helped in any way, or supported this celebration with your prayers and generosity—

Muito Obrigado!

May Our Lady of Miracles continue to watch over our families, bless our parish, and lead us ever closer to her Son, Jesus Christ.

Nossa Senhora dos Milagres,
rogai por nós!

God bless you all, and thank you for helping make our 90th year celebration so special and memorable.
