The liturgical season of Christmas begins with the vigil Masses on Christmas Eve and concludes on the Feast of the Baptism of the Lord.

During this season, we celebrate the birth of Christ into our world and into our hearts and reflect on the gift of salvation that is born with him, including the fact that he was born to die for us. The Christmas tree and the Nativity scene are popular symbols of the season and a tradition in many Christian homes. It is also traditional to exchange Christmas gifts with family and friends to honor God the Father's gift of his only son to the world. Having received the gift of Christ, we naturally want to pass that gift along to our loved ones. This Sunday

is the **BAPTISM OF OUR LORD**

## A New Year Message from Bishop Brennan

When I look back on 2025, what stands out to me is the great need among so many people in our communities. As we enter 2026, I anticipate a deepening care and concern for those who are in most need.

I am so proud of the many charitable functions throughout our Catholic Community. We are blessed by the operations of Catholic Charities, a Diocesan organization that serves our whole Valley. We are also blessed by the service organizations that operate out of each of our parishes.

I anticipate seeing a profound response to the needs before us, people caring for one another in even greater ways than we've witnessed in recent years. I will continue to do all I can to advocate for those in need and to encourage a spirit of accompaniment and stewardship among Valley Catholics.
