Today's Gospel [Mk 4:26-34](#)

Jesus said to the crowds:

“This is how it is with the kingdom of God;  
it is as if a man were to scatter seed on the land  
and would sleep and rise night and day  
and through it all the seed would sprout and grow,  
he knows not how.

Of its own accord the land yields fruit,  
first the blade, then the ear, then the full grain in the ear.  
And when the grain is ripe, he wields the sickle at once,  
for the harvest has come.”

He said,

“To what shall we compare the kingdom of God,  
or what parable can we use for it?

It is like a mustard seed that, when it is sown in the ground,  
is the smallest of all the seeds on the earth.  
But once it is sown, it springs up and becomes the largest of plants  
and puts forth large branches,  
so that the birds of the sky can dwell in its shade.”

With many such parables  
he spoke the word to them as they were able to understand it.  
Without parables he did not speak to them,

# The Eleventh Sunday in Ordinary Time

June 13, 2021

June is the start of wedding season!

The Catholic Church has a long history of helping couples to prepare for marriage. It has learned a great deal that can benefit any couple, regardless of religion.

Because the Catholic Church wants couples to form strong, lasting marriages, couples who wish to marry in the Catholic Church are asked to:

Contact and meet with your parish priest as soon as you are engaged.

Take at least six months to intensively prepare for your marriage. This goes beyond choosing a date and church, reserving a place for the reception, and picking out dresses. It means using this time to delve more deeply into your relationship and approach this momentous day with prayer and reflection.

Attend an approved marriage preparation program. There are many different formats for marriage preparation programs ranging from intensive weekends, to a weekly series, to “in home” mentor couple programs. Check out the most common national programs here. To find what programs are available near you, contact your diocesan family life office. Catholic marriage preparation programs are usually presented by a team of lay married couples and a priest or deacon. They are not restricted to Catholics, but they are always in keeping with Church teaching.

Most dioceses ask couples to take a marriage preparation inventory (such as FOCCUS, PMI, or PRE-PARE). These are not “tests” to determine whether you can get married in the Church, but rather discussion starters to assess what issues you already agree on and what you might need to discuss further.

Marriage is a vocation to holiness. Whether you are just starting out in marriage or have fifty years under your belt, the advice, real life stories, and Church teaching here can help strengthen and bless your marriage. Explore resources from For Your Marriage! <https://www.foryourmarriage.org>
