ASPEN'S PLACE RECORDING
32 channel all tube inputs large and live tracking rooms.
E-mail: aspen@aspenandassoc.com
Web: www.aspensplacerecording.com
Contact: Aspen Pittman
Format: Pro Tools 10 HD or Logic. Analog tape recording available.
Basic Rate: \$500.00 - \$750.00, please call for Indie rates.
Gear: 32+ channels all tube preamps w/ tube compressors, tube EQs into Pro Tools HD w/ Pro Tools 10 and Logic via 32 I/O newest Avid converters. Very large selection of vintage tube microphones and outboard gear, as well as dozens of original GT tube mics, ViPRE preamps, Glory Comp tube compressors and other assorted GT designed audio outboard gear.
Clients: Join me in my new life adventure, we have just finished building our new rooms and are now open to the public. So far we've hosted Doyle Dykes recording his new Christmas album produced by Michael Lloyd, Eric "ET" Thorngren producing a new band project recording by New Age artist Constance Demby before dozens of her loyal fans. We'd like to help you with your next project, give us a call.
Comments: APR is tucked away 20 minutes from Hollywood or Santa Monica in the "Historic & Visionary" city of San Fernando. The uniquely large live tracking rooms are located in the original Groove Tubes tube factory. APR is owned and operated by Aspen Pittman, author of the Tube Amp Book (140,000 copies in print), the founder of Groove Tubes. He is the designer/manufacture of 1,000s of tube based mics, preamps, compressors, EQs

and over a dozen original vacuum tubes used in studios worldwide for over three decades, holder of five patents and recipient of numerous TEC nominations and awards for his work. Selling Groove Tubes to Fender in 2008, he dedicated himself and his vast vintage audio experience and resources to creating the world's finest all tube major format tracking studio. You will find APR a comfortable Mecca of vintage vibe where recordings are done the old school way; live and direct! APR offers a band the rare opportunity to perform live and produce an LP in days, not weeks or months. There is no other studio quite like APR, and our rates are old school too.
